Describe the educational and informational objective of the program and how it meets the definition of Core Programming

A significant purpose and key educational objective of Plaza Sesamo is to teach young children the importance of different cultures and traditions. Children will easily identify with the main characters: Abelardo, Contreras, and Lola. These animated personalities will help children develop a better understanding of the world around them through their stories. Throughout the shows, these characters not only reinforce and expose the Spanish language to native and non-native Spanish speakers, but also teach children valuable lessons that include problem solving, gender equity, symbolic representation, and social interaction.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

Reino Animal educates young viewers on the natural habitat of animals in an educational, yet entertaining way. With narrations and interactive segments, the series builds upon natural science concepts, sparking a sense of curiosity in its viewers. The program discussed concepts like the functions of animals in an ecosystem, the elements of animal classification, and life sciences to help teach children about the natural world, while having fun at the same time.

Sesame Amigos, is designed for Spanish-speaking families living in the U.S., where kids will learn with Elmo, Cookie Monster, and lots of other friends in ways that reflect their language/ and culture. In each episode, kids will build their inner strength, develop their moral compass and learn important educational lessons. Elmo will encourage kids to participate throughout the show they will learn colors, geometrical shapes, good manners, good eating habits and they will dance. Young viewers will travel to "The Furchester Hotel," a hilarious segment featuring Elmo, Cookie Monster, and new friends that teaches creative problem-solving and working together. They will also explore far off lands and learn about cooperation in "Bert and Ernie's Great Adventures." Finally they'll laugh-out-loud with Cookie Monster, the star of "Cookie's Crumby Pictures," who proves that patience takes practice. Sesame Amigos will help kids grow smarter, stronger and kinder. In each episode, viewers are invited to help the characters solve a problem using age-appropriate critical thinking, problem solving, and mathematical skills. Once the problem is explained, Mickey and friends embark on entertaining adventures, working together to solve the problem with the help of various "Mouseketools" everyday objects that turn out to be useful tools for problem solving. The series uses engaging stories, physical and verbal humor, and music to keep viewers interested and invested in helping Mickey and friends solve the problems at hand. The September 26 preemption was made-good on October 11, thus the station did not count it towards the 3rd Quarter weekly average of core programming but rather will report it in this quarter. 11. (a)

Non-Core Educational and Informational Programming

12. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not need one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and information program.

[There are no digital non-core program reports.]

Sponsored Core Programming

List Core Programs, if any, aired by other stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core
Programming broadcast by another station increased.

[There are no digital sponsored core program broadcast reports.]

[There are no digital sponsored core program detail reports.]

Other Matters

14. Complete the following for each analog and digital program that you plan to air for the next quarter that meets the definition of Core Programming. Complete chart below for each Core Program, identifying whether it is to be broadcast on the station's analog or digital channel or both channels.

Title of Planned Core Program #1	Origin	
Plaza Sesamo (main digital stream)	NETWORK	
Regular Schedule	Total Times to be Aire	ed
SA, 08:00 AM & 08:30 AM	26	
Length of Program	Age of Targ	et Audience
	From	То
30 minutes	2 years	7 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

A significant purpose and key educational objective of Plaza Sesamo is to teach young children the importance of different cultures and traditions. Children will easily identify with the main characters: Abelardo, Contreras, and Lola. These animated personalities will help children develop a better understanding of the world around them through their stories. Throughout the shows, these characters not only reinforce and expose the Spanish language to native and nonnative Spanish speakers, but also teach children valuable lessons that include problem solving, gender equity, symbolic representation, and social interaction.

Title of Planned Core Program #2	Origin	
Reino Animal (main digital stream)	NETWORK	
Rogular Schedule	Total Times to be Airc	ed
SA, 09:00 AM & 09:30 AM	26	
Length of Program	Age of Targ	et Audience
	From	То
30 minutes	13 years	16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

Reino Animal educates young viewers on the natural habitat of animals in an educational, yet entertaining way. With narrations and interactive segments, the series builds upon natural science concepts, sparking a sense of curiosity in its viewers. The program discussed concepts like the functions of animals in an ecosystem, the elements of animal classification, and life sciences to help teach children about the natural world, while having fun at the same time.

	NETWORK Total Times to be / 26 Age of Tary From

A significant purpose and key educational objective of this program is to teach young children all there is to know about life science. Each episode tackles a dozen or more mind-blowing and interesting questions concerning animals and their habitat. The show is a standard question and answer format to help test how much young people really know. The investigation of the answers takes viewers on a fast-paced and entertaining tour of the amazing animal kingdom. The show explains every answer so that young viewers are able to retain and understand the information provided.

Describe the educational and informational objective of the program and how it meets the definition of Co		

This educational program is a series for pre-schoolers featuring Pocoyo a curious, fun-loving friendly little boy who, along with his inseparable friends explores the world by learning and discovering their surroundings in each story. The show's philosophy is "learning through laughter," and in each episode "inquiry learning" is utilized. The show is designed with preschoolers in mind as the situations, explorations, humor sounds, and visuals are enticing to them and the learning process they utilize and understand.

Title of Planned Core Program #5	Origin	
Sesame Amigos (second digital stream)	NETWORK	
Regular Schedule	Total Times to be Aired	
SA, 08:30 AM	13	
Length of Program	Age of Target Audience	
	From To	
30 minutes	2 years 4 years	ars

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

Sesame Amigos, is designed for Spanish-speaking families living in the U.S., where kids will learn with Elmo, Cookie Monster, and lots of other friends in ways that reflect their language and culture. In each episode, kids will build their inner strength, develop their moral compass and learn important educational lessons. Elmo will encourage kids to participate throughout the show they will learn colors, geometrical shapes, good manners, good eating habits and they will dance. Young viewers will travel to "The Furchester Hotel," a hilarious segment featuring Elmo, Cookie Monster, and new friends that teaches creative problem-solving and working together. They will also explore far off lands and learn about cooperation in "Bert and Ernie's Great Adventures." Finally they'll laugh-out-loud with Cookie Monster, the star of "Cookie's Crumby Pictures," who proves that patience takes practice. Sesame Amigos will help kids grow smarter, stronger and kinder.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other non-core educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing

or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. §73 671, NOTES 2 and 3

On the station's second digital stream on Saturday, December 5 the station preempted the children's programming window for broadcast of the "Teleton USA." The goal of this annual effort is to raise funds to help improve the quality of life for children with disabilities. However all programs were made-good on December 20 and promotional efforts with the rescheduled times and date were aired.
