The Georgia State patrol is joining other law enforcement agencies in rolling thunder.

Name of individual and position

Chris Harris , trooper with the Georgia state patrol

Address and Phone Number

charris@gsp.net///706-676-0167

Narrative describing the Program

Trooper Harris came to talk about highway safety and the safety of the population is what they strive to protect. He wants to let the public know there are no quotas to meet and no criteria to uphold. Chris is adamant about driving defensively and taking care to be aware of the other driver and the road they are on. Different highways and roads present different situations and the topography is key to being able to know the road and it's dangers. He stresses caution on 2 lane highways and caution on roads that are unfamiliar to you. Rolling thunder is a program initiated by the state of Georgia with zero tolerance.

<u>Date</u>	<u>Time</u>	<u>Duration</u>	<u>Name of Program</u>
06 /21/15	5:30 AM	23:50	Around and About

Narrative describing the issue and source

The local Rome Police and county Police have participated in the Rolling thunder program

Name of individual and position

Sgt Ron Hunton Floyd county police, Sgt Joe Kostalnic and Chris DeHart of the Rome City Police.

Address and Phone Number

Rome, City Police 911 Rome Ga.

Narrative describing the Program

All these law enforcement officers talked about the different scenerios they have experienced since participating in The Rolling Thunder program. The state of Georgia is cooperating trying to cut down on traffic accidents that has taken a high number of lives. The infant and child safety seat has been an issue because people don't know how to install the safety seat. The officers have held classes to teach drivers how to install their child's seat and to buckle up themselves. Speed is a killer and the zero tolerance rule is in force. They urge people to slow down and do not use your phone to talk or text.
