

October 1, 2013

The following is a report on Public Affairs Programming for the Third Quarter of 2013 during which time the top issues of community interest and concern in Holiday, Florida and the surrounding area were found to be:

Economy
Education
Community Relations
Health

In order to meet these issues, WSUN-FM airs two public affairs programs on Sunday mornings as well as weekday news updates.

"X Sunday Morning" airs Sunday mornings at 6:00 a.m. "Spectrum" airs Sunday mornings at 6:30 a.m.

WSUN-FM also helps meet community issues through daily programming. As traffic and transportation are often major issues for residents of Tampa Bay, WSUN-FM airs traffic reports four times hourly on weekdays from 6:00 to 9:00 a.m. and 4:00 to 6:00 p.m.

WSUN-FM also runs a heavy schedule of :60 second Public Service Announcements produced by the Florida Association of Broadcasters throughout all hours of the day.
