Public Health, Poverty	PA iHeart Radio Gulf Coast Focus INTRO	Franklin Primary Health Care		02/06/2022 07:00 AM	000:15
Public Health, Poverty	PA iHeart Radio Gulf Coast Focus	<p>How Franklin Primary Health Care is reaching the needs of underserved population on Martin Luther King Avenue and other communities needing access to affordable medical care. CEO Charles White discussed outreach efforts to the poor and homeless in both rural and urban areas. Franklin provides family medicine, specialist care, behavioral health, dental, pharmacy, nutrition, substance abuse and more.</p>	Charles White, CEO	02/06/2022 07:00 AM	029:25
Disaster loans; Education; Children's	Viewpoint Alabama	Part 1: John Mounz talks with Shanon Gadbois and Terrel Perry from the US Small Business Administration join us to talk about the low interest loans that the	Shanon Gadbois and Terrel Perry;	02/06/2022 07:30 AM	029:49

Issues		<p>government is making available to people in around central Alabama who experienced property damage following the October floods. They go on to explain how these kind of loans could be available for anyone in Alabama following a natural disaster if our government takes action.</p> <p>Part 2: Ryan Gorman talks with Alesha Levey with Reading is Fundamental about the challenges being faced by young children over the last two years who are now struggling to learn how to read amid Covid lockdowns and other restrictions that make learning difficult for these individuals.</p>	Alesha Levey		
Public Health & Safety, COVID Vaccine, Heart Disease, Race	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	<p>Carole Johnson is the Administrator of the Health Resources and Services Administration (HRSA). Johnson discussed her role at the HRSA and how they are continuing to help people to get vaccinated. She gave us an update on COVID vaccines for children and boosters for adults and how they are providing trusted messengers from within the communities where people live, especially in minority communities throughout the USA.</p> <p>Celina Gorre is the CEO of WomenHeart: The National Coalition for Women with Heart Disease, based in Washington, D.C. February is heart health month 2022 and Gorre discussed disparities in heart disease - for women and for women of color. She discussed why women are too often misdiagnosed including the lack of awareness of heart disease in women and bias in care. She talked about WomenHeart's support services across the country for women with heart disease.</p>	C. Johnson, C. Gorre	02/13/2022 07:00 AM	029:49

Public Health & Safety; COVID vaccine, Race	Viewpoint Alabama	<p>Part 1: The national spokesperson for the American Red Cross Katie Wilks joins us to talk about the impact that the Pandemic has had on the blood supply. She explains why it is so important that donations continue as the supply is critically low nationwide.</p> <p>Part 2: From the National Medical Association Rachelle Villanueva: Covid 19 vaccinations and its impact on Black and other marginalized communities. Rachelle explains why this virus is hurting people in these communities most, and why our government must increase funding for programs that reach these people.</p>	Katie Wilks. Rachelle Villanueva	02/13/2022 07:30 AM	030:02
Health, Cancer, Public Safety	PA iHeart Radio Gulf Coast Focus INTRO	American Cancer Society Mobile Chili Cook-off; Spring Break Beach Safety		02/20/2022 07:00 AM	000:28
Health, Cancer, Public Safety	PA iHeart Radio Gulf Coast Focus	<p>Interview with Greg Thompson, chairman of American Cancer Society's Mobile Chili Cook-off, which raises money for local programs for those battling cancer; and interview with Leigh Davis, Executive Director of the Santa Rosa Island Authority on Spring Break beach safety on Pensacola Beach and making sure visitors know the safety rules regarding alcohol, fires and generators, and glass containers on the beach. And that they are aware of water safety as well, such as rip currents and dangerous marine life. Visitors also need to be aware of the flag system that tells beachgoers what to watch out for.</p>	Greg Thompson; Leigh Davis	02/20/2022 07:00 AM	028:55
Public Health & Safety; COVID Vaccine; Heart Disease; Race	Viewpoint Alabama	Part 1: Carol Jonson the administrator at the Health Resources and services division of the with the US Department of Health and Human Services joins us to explain health equity and ensuring that all outcomes are	Carol Jonson; Celina Gorre	02/20/2022 07:30 AM	029:49

		<p>the same for all people regardless of location, ethnicity or gender identity. She is also working to get the best information out to the community to make sure everyone gets vaccinated and boosted.</p> <p>Part 2: The President and CEO for "Women Heart" Celina Gorre explains why they seek to educate all American Women that heart disease is not just a male problem. She is also fighting to make sure there is equitable funding for Women's health when it comes to Cardiovascular issues.</p>			
Veterans Affairs, Mental Health, Race	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	<p>Cole Lyle, Marine Veteran and Executive Director of Mission Roll Call - Cole Lyle discusses the work Mission Roll Call does for veterans across the country, from suicide prevention to assistance with health care and benefits.</p> <p>RADM Felicia Collins, Deputy Assistant Secretary for Minority Health & Director of the Office of Minority Health in the U.S. Department of Health & Human Services - Dr. Felicia Collins offers an update on the spread of COVID-19, the safety and effectiveness of the COVID-19 vaccines, and the impact the pandemic has had on minority communities.</p>	C. Lyle, F. Collins	02/27/2022 07:00 AM	029:50
Public Health & Safety; COVID Vaccine; Mental Health	Viewpoint Alabama	<p>Part 1: Ginger Z NBC Chief Meteorologist and author of the book "A little closer to home" details her mental health struggles. She hopes that in sharing her challenges other people can find some hope for themselves overcome their struggles.</p> <p>PART 2: Dr Byron Jasper MD Founder and CEO of Byja Clinic in Baton Rouge LA, gives an update on the state of the pandemic. He</p>	Ginger Z; Dr Byron Jasper	02/27/2022 07:30 AM	029:49

		explains why it is still critically important that everyone be vaccinated and fully boosted and continue to wear a mask when around others.			
Personal Health, Safety, COVID Vaccine Booster, Cancer	iHeartRadio COMMUNITIES	<p>Sarah Stephens, PharmD, CPPS is the Network Medication Safety Officer for HonorHealth in Scottsdale, AZ. As a follow-up to President Biden's State of the Union, Stephens discussed the administration's shifting focus from pandemic/crisis response to managing COVID-19's new normal. She talked about the CDC's announcement to ease mask restrictions for the majority of Americans and what does this means about the current state of the pandemic. Stephens touched on what the future might look like for COVID-19 and the responsibility of Americans to continue to get boosted.</p> <p>Dr. Sallyann Coleman King, Medical Director of the Colorectal Cancer Control Program at the Centers for Disease Control and Prevention and Commander in the U.S. Public Health Service. March is Colorectal Cancer Awareness Month, and King says that it's never been more important for men and women to routinely get screened for this disease. Colorectal cancer is the second leading cancer killer, but it can be preventable with routine screening. King discussed how too many people have put off these screenings - especially during COVID-19. She explained the Centers for Disease Control and Prevention's campaign called Screen for Life.</p>	Sarah Stephens, Dr. Sallyann Coleman King	03/06/2022 07:00 AM	029:49
Public Health & Safety; COVID; Mental Health; Race	Viewpoint Alabama	PART 1: Alabama Author and resident Natasha Williams talks about her new book Pushing Forward where she shares her struggles with depression and the profound benefit she	Natasha Williams; Felicia Colins	03/06/2022 07:30 AM	029:47

		<p>found in the cathartic relief of writing the book. She found that many others have been helped by the book, and she now has launched a platform to help other local authors get published so that they too may find their relief and a way out of depression and a path back to a more healthy life</p> <p>PART 2: Rear admiral Felicia Colins with the Department of Health and Human services. She is the Deputy Assistant Secretary at the DHS for minority health Director of the office of Minority health the DHS. She makes the case that while all people in America have experienced disruption in their daily lives over the last two years, minorities are disproportionately affected, and more needs to be done to provide assistance for these people.</p>			
Personal Safety, COVID Vaccine and Masks, Mental Health, Children	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	<p>Dr. David Banach, associate professor of medicine at UConn School of Medicine. COVID cases are continuing to fall across the country. Dr. Banach discussed what these current trends mean and the current state of the pandemic. He discussed why Americans should remain optimistic that we are closer to getting back to a new "normal". Dr. Banach talked about the concern for the emergence of new variants and what COVID will look like in the future.</p> <p>Dr. Janine Domingues, Clinical Psychologist at the Child Mind Institute. The war in the Ukraine has many children and parents on edge. Dr. Domingues discussed how do you start, and have, a conversation about what is happening in Ukraine with your kids. She talked about how the conversation will differ with young children verses older</p>	BANACH, DOMINGUEZ	03/13/2022 07:00 AM	029:50

		kids. She covered signs that a child may be feeling anxious about the news and how can we ease these anxieties. Dr. Domingues suggested resources for parents.			
Personal Health, Safety, COVID Vaccine Booster, Cancer	Viewpoint Alabama	<p>PART 1: An update on the toll the pandemic is taking on healthcare workers across the country along with lessons learned from how Covid 19 impacted our healthcare system with Dr. Sarah Stevens, the network medications safety officer with Honor Health.</p> <p>PART 2: March is Colorectal Cancer awareness Month. With Covid -19 many people over the last year avoided getting their cancer screenings. Dr Sallyanne-Coleman King explains what the Screen for Life program is all about and makes the case why it should not be ignored.</p>	Dr. Sarah Stevens; Dr Sallyanne-Coleman King	03/13/2022 07:30 AM	029:49
Children's Health, Parenting, Race	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	<p>Dr. Tina Carroll-Scott is a general practitioner and the medical director of the South Miami Children's Clinic. Dr. Scott discussed working in an underserved community of color throughout the pandemic and trying to increase access and equity with the Covid vaccines through pop ups. She focused how COVID vaccine authorization for our youngest children (under 5) may be coming in the next month, but it seems that many vaccinated parents still haven't acted on getting their older children (5 and older) vaccinated. Dr. Scott talked about weighing the dangers of getting COVID compared to the side effects of a vaccine for children.</p> <p>Parenting Expert, Carol Muleta, founder of The Parenting 411, 2019 DC Mother of the Year, and author of the newly released book, <i>The Parenting Odyssey</i>:</p>	Dr. T. Carroll-Scott, C. Mule	03/20/2022 07:00 AM	029:49

		<p>Trials. Monday, March 21st is National Single Parent Day and Muleta offered tips on how single parents can raise their children in the best way for themselves and their kids. She discussed the importance of establishing good routines, teamwork, rules of engagement, and finding common ground with your partner's approach to parenting. Muleta also talked about the importance of personal self-care for single moms and dads.</p>			
Economy, Women's Health	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	<p>Lori Bettinger is the Co-President of Alliance Partners and serves as the President of BancAlliance. Bettinger discussed the ongoing conflict in Ukraine including a jump in U.S. food prices, a Russian oil-sparked recession, and more. She also covered the continued repercussions of the COVID-19 pandemic on our US economic system, the rise in interest rates by the fed, and the chance of a housing market crash.</p> <p>Dr. Dorothy Fink, Deputy Assistant Secretary for Women's Health and Director of the Office on Women's Health in the Office of the Assistant Secretary for Health (OASH). As we wrap up March and Women's History Month, Dr. Fink focused on what we all should be thinking about this month for women's health. She offered information and advice to women who weren't able to get their mammograms and other cancer screenings done since COVID-19 started. Dr. Fink also talked about what women should know about the COVID-19 vaccine.</p>	L. Bettinger, Dr. D. Fink	03/27/2022 07:00 AM	029:49
COVID; Mental Health	Viewpoint Alabama	Chief Executive Officer of the National Association of Social Workers Dr. Angelo McClain talks about the role that social	Dr. Angelo McClain	03/27/2022 07:30 AM	029:43

		workers play in our state. He also talks about the effects that the Pandemic has had on Alabama families.
