Quarterly Issues/Programs List

WNTM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

Discussion in October, November and December on the Uncle Henry Show was dominated by the special election campaigns for Alabama's first congressional district and the Alabama Legislature's House District 104 seat. Other topics included the US federal government shutdown, implementation of the Affordable Care Act, the construction of an oil pipeline through Mobile's water supply, economic development, and the installation of a new Mayoral administration for the city of Mobile.

Congressional candidate Bradley Byrne was a guest in studio to answer questions Oct 10, Oct 16, Nov 5, and Dec 16.

Congressional candidate Dean Young was a guest in studio to answer questions Oct 9, Oct 17, and Oct 24. He also called in Nov 5.

Dr Ted Flotte of Mod Mobilian.com appeared on the show Oct 23 to talk about claims made in congressional campaign commercials.

Alabama legislator Rusty Glover visited the show to talk about the Affordable Care Act's effect on Alabama and his new book on Oct 21.

House District 104 candidates Ralph Carmichael, Nathan Davis, and Margie Wilcox appeared on the show Oct 14 in brief interviews.

Candidates Susan Hightower and Margie Wilcox were on the show Dec 3, the day before they faced each other in the District 104 runoff.

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
