Dear Friends of Make-A-Wish:

On behalf of Make-A-Wish Central and Northern Florida, I would like to thank you for your generous donation of 2021 Walk for Wishes Radio Interviews: WJRP (value \$1850), WFLF (value \$1300), WTKS (value \$1675), WMGF (value 1800), WRUM (value \$2475), and WXXL (value \$2600) for our 14<sup>th</sup> Annual Walk for Wishes. Your donation is invaluable in helping us to grant wishes to local children, who need a little spark of magic to help them face the challenge of a critical illness.

I would like to introduce you to Anna. Anna is 18 years old and absolutely loves to be around people! She is very social butterfly in her own unique way. It is like she "experiences things" through her eyes. Anna also loves to ride in trains, planes, buses and cars because she likes the feeling of motion.

Anna suffers from a mitochondrial disease which is a disorder that occurs when mitochondrial fail to produce enough energy for the body to function properly. Because Anna is nonverbal, when Make-A-Wish Central and Northern Florida stepped in to grant

her wish, her parents knew the one thing that would bring her the most joy – a train ride!

Anna and her family traveled to Southwest Colorado where they got to experience the Durango & Silverton Railroad with the whole family. They had a wonderful time together. Anna's family said, "we are filled with joy and lifelong memories from Anna's Make-A-Wish trip! 'Thanks' will never cover all the love and generosity we were blessed with throughout the entire Make-A-Wish process. Our hearts are full!"

We are very glad to have you as part of the Make-A-Wish® family and are grateful to you for helping us make our mission possible. Together, we can ensure that each eligible child gets their wish granted. On behalf of all the children and families, thank you!

Best wishes,

Anne Cuba  
President & CEO
