**Re:** WPIX (the “Station”), a broadcast television station that is owned and operated by WPIX, LLC (“Tribune” or “we”) and licensed to the New York, NY DMA (the “Covered DMA”)

Dear Winston:

This will acknowledge receipt of the NTTC’s letter dated March 31, 2017 sent on your behalf to the Station notifying the Station of your intent to provide cable television service solely in the Covered DMA on or about May 1, 2017.

Pursuant to 47 USC § 325(b)(3)(B), 47 CFR 76.64(f)(2), and 47 CFR 76.64(k) Tribune elects, for the remainder of the three-year period ending December 31, 2017, to assert its right, under 47 USC § 325(b)(1)(A) and 47 CFR 76.64(a), to have the broadcast signal of the Station carried on cable systems only if we have provided our express written consent. This election applies to each system identified in your letter and any other cable or other qualifying multichannel video programming distribution system that you own, operate, or manage. This election is not intended to affect any retransmission consent or other agreements that Tribune (or any related companies) may currently have in place with you.

We look forward to discussing your retransmission of the Station’s signal and related matters with you in the near future. In that regard, our contact person for retransmission consent matter is: Keith Hopkins, whose phone is: (267) 606-4099, and email is: [khopkins@tribunemedia.com](mailto:khopkins@tribunemedia.com)

Warmly,

Mark R. Boyes,  
Assistant General Counsel
