South Dakotans For Better Marijuana Laws

Riverfront Broadcasting – Rapid City (KOTA-AM, KZZI-FM, KZLK-FM, KQRQ-FM, KDDX-FM) was notified by South Dakotans For Better Marijuana Laws that they respectfully requested a full refund for contracted advertising on all five stations.

The issue prompting the full refund amount was due to a combination of requested air time for make good purposes (Friday, April 22, 2022) after the original request came after deadlines for station commercial placement and confusion by the firm placing the business as to the time sensitive nature of a petition drive to place a measure on the upcoming ballot for recreational marijuana use in South Dakota.

A handwritten signature in cursive script, appearing to read "Mike Fell".
