CONTINUED ELIGIBILITY WBXI-CD

Section (f) (2) (A) of the Community Broadcasters Protection Act (“CBPA”) and Section 73.6001 of the Commission’s rules set forth the continuing eligibility Requirements for Class A licensees.

To maintain its eligibility for Class A license, a Class A station must continue to broadcast 18 hours a day, and must broadcast an average of at least 3 hours per week of locally produced programming as defined in 47 C. F. R. 73.6000.

WBXI-CD Television meets each of the continuing eligibility requirements. WBXI-CD broadcast 24 hours a day, 7 days a week during this time period – well over the 18 hours per day required.

Further, during 2020 WBXI-CD produced and aired 5 hours per week (one hour per day Monday through Friday) of locally produced weather information pertaining to Indianapolis and central Indiana.

In sum, at all relevant times covered by this memo, WBXI-CD Television has met the local produced programming requirements, and broadcast more than 18 hours per day. Accordingly, it continues to be eligible for Class A status.
