5. A list and brief description of initiatives undertaken to satisfy the requirements to complete four menu options within a two-year period:

Toward Initiative #1 – Participation in at least four job fairs by station personnel who have substantial responsibility in the making of hiring decisions

- Kaspar Broadcasting participated in the Indiana University Kokomo “Job, Internship, and Volunteer Extravaganza” held on November 4, 2014. Open positions and application materials were displayed and made available to interested students. We spoke with several potential applicants,

Toward Initiative #5 – Establish an internship program designed to assist members of the community to acquire skills needed for broadcast employment.

- Our company offers high school seniors and college students the opportunity to conduct their (required or voluntary) internship in radio broadcasting at our facilities. Students are afforded the opportunity to learn basic broadcasting skills, equipment operations, basic FCC standards and requirements, along with news gathering, writing and producing. Production techniques are also taught to student interns. This year we had 2 students take advantage of this opportunity during the summer, and 2 students at other times of the year.
- Our company offers “job shadow” opportunities to high school and college students. May 15, 2014, two students from Clinton Central School Corporation spent the morning learning about the News and Programming Departments here...

Toward Initiative #7 – Participation in scholarship programs designed to assist students interested in pursuing a career in broadcasting.

- February through March 2015, our station aired spots promoting the Indiana Broadcasters Association Scholarship Program for college & high school students pursuing a degree in broadcasting.

Toward Initiative #14 – Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

- Nov. 10, 2014, the Station Manager reviewed EEO regulations with Department Heads. There were 4 in attendance.
- March 28, 2015, the Station Manager met with the Operation Director to review EEO regs.

Toward Option #16 – Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities:

- Kaspar Broadcasting participated in the Enrichment Program offered at Clinton Prairie Elementary School. Working with a group of eight 4th & 5th graders, station personnel assisted students in writing and recording PSAs. The program consisted of 4 2-hour sessions,
- Employment information was displayed and accessible to interested people at the WIL O & Shine 99 Home, Garden & Auto Show April 24-26, 2014.
- Interested individuals were free to pick up employment information at our WIL O Senior Citizens Fair on Sept. 24, 2014.
- On March 21, 2015, we hosted the 21st Annual Shine 99 Woman's Fair in Kokomo, Indiana. The station maintained a booth at the fair with information available concerning a career in radio broadcasting and a current open position with our company.
- Tours of our radio station are offered to area youth groups & families throughout the year.
- Employment and internship opportunities are listed on our website www.clintoncountydailynews.com.

Kaspar Broadcasting Co., Inc. is an Equal Opportunity Employer and we encourage all qualified persons of any race, ethnicity, gender, religion, and age to apply for job vacancies.
