Dear Steve:

This letter has reference to the retransmission consent agreement by and between Comcast of the South ("Comcast") and Knoxville Channel 7, LLC ("Licensee"), licensee of broadcast television station WMAK-DT ("WMAK") (the "Agreement"). This letter shall serve as formal notice pursuant to Section 1 of the Agreement of Comcast's termination of the Agreement effective as of December 31, 2012. Effective January 1, 2013, Comcast elects to add WMAK to the Affiliation Agreement between Daystar Television Network and Comcast Cable Communications, LLC, dated as of April 20, 2005, as amended (the "Daystar Agreement"). A separate notice regarding the addition of WMAK to the Daystar Agreement is forthcoming. In addition, please contact the local Comcast representative in Knoxville to discuss the continuation of the fiber transport arrangement for WMAK upon termination of the Agreement.

Please let me know if you have any questions.

Sincerely,
