This is to certify that the list set forth below identifies all programs and series aired by Three Angels Broadcasting Network, Inc. during the above-referenced calendar quarter that was originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Three Angels Broadcasting Network, Inc. as the official responsible for oversight of compliance with the FCC children's programming commercial limits and I am familiar with the regulations.

To whom it is concerned:

This letter is in response to your request regarding Newsmax TV and requirements for Closed Captioning, Children's Television Act, and "CALM" act.

Newsmax Broadcasting currently meets requirements set by the FCC requirement of Closed Captioning (See 47 C.F.R. § 79.1). Newsmax TV uses a service by EEG called Lexi, which is a cloud based system that translates the speech to text, then sends it to an EEG encoder model HD 490, which embeds the captioning into our broadcast stream that is then distributed to our linear and digital partners.

Additionally, Newsmax Broadcasting is not an over-the-air broadcaster so the Children's TV Act does not apply.

Included is a letter regarding Newsmax TV CALM compliance.

Should you have any questions or need further assistance please feel free to contact me directly.

Sincerely,

Andrew Brown
