C. Total number of persons interviewed for all full-time vacancies filled during the recording period: 137

SUPPLEMENTAL RECRUITMENT INITIATIVES

(1) Initiative: Internship Program

Date: Ongoing

The Greater Media Boston Stations have an ongoing internship program designed to assist members of the community in acquiring skills needed for broadcast employment. The internship program is promoted on Greater Media Boston websites, through postings with outside sources, and at job fairs. Internships are offered in Marketing/Promotions, Programming, Creative services, Corporate Communications and MIS. Interns are supervised by specific department managers, but are encouraged to gain exposure with as many different departments as possible. During the reporting period, the Employment Unit had nineteen interns.

The following colleges have had, or currently have, interns at Greater Media Boston during the reporting period:

Boston University Newton County Day Syracuse University

**Stations WKLB-FM, WROR-FM, WBOS-FM, WMJX-FM, and WBQT-FM
are Equal Opportunity Employers.**

Lassell College Salem State University Thayer Academy
Merrimack College Southern NH University University of Maryland

(2) Initiative: Participation in job fairs by Employment Unit personnel:

Massachusetts Broadcasters Association Job Fair

Date: April 22, 2015

Location: Emerson College, Boston, MA

Participants: Local Sales Mgr., WROR FM and Local sales Mgr., WBOS FM.

City of Boston Diversity Employment Day Career Fair

Date: May 21, 2015

Location: Wyndham Boston at Beacon Hill, Boston, MA

Participants: Local Sales Mgr., WROR FM, Local Sales Mgr., WBOS and Local sales Mgr., WBQT FM.

(3) Initiative: Participation in events sponsored by educational institutions

Cristo Rey Boston High School Job Share / Work Study Program: The Employment Unit has developed a strong relationship with Cristo Rey Boston High School, an innovative and life changing high school that prepares motivated urban students for success in college, careers, and community leadership, with the hope that the students will, in turn, drive positive change for their communities. The school incorporates a work study component and Greater Media Boston has been a Cristo Rey partner since January 2010. As a result of this partnership, a high school student works at the Employment Unit five days per month, working in and learning about the various departments at the Employment Unit. The Employment Unit compensates the student for his or her work by sending payment to Cristo Rey as an offset to that student's tuition. During the 2014-2015 year, we had two students work with us from Cristo Rey.

WMJX Morning Magic co-host was the keynote speaker for women's educational and enrichment group called the Wellesley Postcomer's Club held on January 15, 2015. As part of her speech, she discussed the station's award winning Exceptional Women show and revealed what she has learned from the women she profiles. Morning Magic co-host's honorarium was donated to the non-profit Strong Women, Strong Girls.

WMJX Morning Magic co-host served as the keynote speaker and host for E2E: Connecting Eagles to Eagles at Boston College on February 4, 2015. The event featured a two hour round table discussion between current Boston College students and former students who were there to mentor the current students, share their career paths and offer advice about the value of internships and how to set yourself apart from other applicants when you're looking for your first job after graduation.

WMJX Morning Magic co-host participated as a member of the Communications panel at the Boston College "Own It" Women's Summit and spoke to female students about her career path as a broadcaster, changes in the industry over the last 25 years and advice about how to get a job in radio.

WMJX On-Air Personality was the instructor of four "Intro to Radio" workshops offered at the Seacoast Charter School in Kingston, NH, which is a publicly funded elementary and middle school, uniquely focused on experiencing education through the arts.

(4) Initiative: Participation in events in the community designed to inform the public about broadcasting employment opportunities

WMJX Morning Magic co-host and President of Boston Women in Media & Entertainment was profiled February 3, 2015 on Aspire TV, which is part of the New Hampshire Public Access Network. She discussed her education, initial job search, career path and advice for anyone who wants to find a job in the field of media, specifically radio broadcasting.

**Stations WKLB-FM, WROR-FM, WBOS-FM, WMJX-FM, and WBQT-FM
are Equal Opportunity Employers.**

WMJX Morning Magic co-host received a phone call from a Magic listener who asked if she could meet with her to discuss how to create her own radio show. The two met on February 10, 2015 and the listener received a tour of the station and a two hour meeting to discuss her show idea and how to make it real and marketable to a radio station. The two have continued a mentoring relationship and the listener now has a show called *Boomer Being* which airs on WATD, a local south shore radio station.

**Stations WKLB-FM, WROR-FM, WBOS-FM, WMJX-FM, and WBQT-FM
are Equal Opportunity Employers.**
