RE: Program Content

The purpose of this letter is to provide television stations with certified documentation that the producers of the *Animal Exploration with Jarod Miller* series designs the program to educate and inform children 13 to 16 years of age.

Litton Entertainment is the producer of *Animal Exploration with Jarod Miller*. *Animal Exploration with Jarod Miller* is a half – hour live action television program designed to meet the educational and informational needs of children.

Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes - there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis.

It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe.

In order for parents, children, and listing services to clearly identify the program as one that fulfills the FCC description of a program that meets kids' educational television needs, each episode will display the recommended rating TV-G E/I icon from beginning to end.

Sincerely,

Litton Entertainment
