Do not be selfish, be righteous, and sacrifice to launch kids lives. Mothers' know to plan. God planned his creation, and has planned out our lives. Help kids plan. They also have to be flexible. Too many things come up that we have to be flexible and turn on a dime. There are rewards for sacrifice.
Discussions & Creation with Dr. John Fendleton Program 29	7/12/08	10:30 – 11:00 AM	Evolution verses Creation	<p><b>Beginning Definitions, How Life is Formed:</b> Evolution happens by chance, changes that happen are not Evolution. Creation by God makes us think.</p> <p>Creation by Creator: From order to disorder. Sin entered in so it brought disorder.</p> <p>2 laws of thermodynamics: Matter and energy can either be created or destroyed. No man can create or destroy. Material can be changed in a different form.</p> <p>Entropy – Things tend to disorganize themselves and move toward lower levels of energy. One example is buildings deteriorate.</p> <p>Water runs down hill but not uphill.</p> <p>2 Laws of Biology</p> <ol style="list-style-type: none"> <li>1. Life only comes by life.</li> <li>2. Species reproduce to their own kind. Never get a different species.</li> </ol> <p>The first simple cells that reproduce are bacteria that reproduce themselves. It's impossible to accidentally form life. The atmosphere is made of nitrogen, Oxygen, water vapor and carbon dioxide. Life appeared in the ocean three billion years ago. There are 20 amino acids that form proteins. God is the creator and has infinite intelligence.</p>

You have to respect all the laws that govern children; sex, water and fire or it will kill you. Children are a reward from God. Children will bring you honor. Leviticus has practical information for living. The Bible is the truth. A lie will deceive you. Every man should have a woman, and every woman should have a man. Never use sex as a weapon. It's better to marry than burn with lust. The Bible tells us to marry and have children. It takes a lifetime to get to know each other. Do what is righteous; enjoy sex if married, outside marriage is bad. Marrying a virgin, you don't have to worry about sexual diseases. God is a redeemer of sin. Righteousness has a reward. Stay away from immoral people. You will loose all you have achieved. It will cost you honor. Marriage will give you blessings. It's legal to have sex when married. Share your love only with your wife. Never share it with strangers. Let your wife be a fountain for you. An evil man is held captive by his own sins. Obey your Father's commands. It will keep you from an immoral woman. Having sex with another's spouse will kill you. It will not go unpunished. The wages of sin is death. Love wisdom like a sister. All sex begins with the tongue, verbal speech. Words will lead to sex. Sin always starts in the mind. God made sex but only in marriage. Selfishness is the major problem of marriage.</p>
Yohanan Salamanca	08-01- 08	11:30 – 12:00 AM	Family Issues	<p><b>Restauración Familiar</b>  <b>"Llegando A Ser Parte":</b>                      El plan de Dios es que todos lleguemos a la semejanza de Yeshua Jesús. Dios mismo esta perfeccionando o completando la obra. No nos ha dejado solos. Hay dos cosas necesarias para llegar a la perfeccion : 1. Necesitamos colaborar. 2. Encontrar el mapa</p>

				<p>adecuado para llegar al punto de ser como Jesús. Tenemos que usar el mapa de Dios y tener la actitud correcta.</p> <p>Vemos el ejemplo de Salomón: Ecclesiastes 1:12 –Eccl. 2:1-12 Salomon falsamente encontro que todo era vanidad. Mapa #1 que uso Salomón – El <i>placer</i>. Probo la risa, el dinero, y aun el sexo pero no encontro nada mas que era vanidad. Pero Salomón sigue buscando: Eccl. 2:12-13 Mapa #2 La Sabiduría Dios le pregunta a Salomón “¿Que deseas?” Salomón le responde, “¡Sabiduría!” Dios se la da. Pero Salomón concluye que aun la sabiduría (conocimiento) tambien es vandidad. Quedo vacio. Pero Salomón sigue buscando. Eccl. 2:18:19 Mapa #3 El Trabajo: pero aun no encuentra lo que busca. Yeshua Jesús dice, “No os afaneis por lo que necesitais por la vida.” No podemos cambiar lo eterno por lo temporal. Todo lo que trabajemos quedara para alguien mas cuando al morir nosotros. Hayamos que la sabiduría es vanidad, el trabajo futil, y la muerte cierta.</p> <p>Samolon descubre el mapa verdadero: Eccl. 12:1 La conclusión de Salomón – la ruta o el mapa que nos lleva solo a Dios. Esta es la perspectiva correcta. Todos los mapas que no nos llevan a Dios son de perspectiva incorrecta. En Eccl. 12:1 la palabra ‘recuerda’ no es de acordase de algo (como tener memoria de algo) sino que significa “ponerse en accion”. Acordarse de nuestro Creador: ponerte en accion y entra en una relacion viva de fe con tu Creador. Al fin Salomón llega a esta conclusión pero no la puso en accion en su vida.</p> <p>Conclusión: Busca y vive en una relacion viva con Dios. Llegar a Ser es mejor que llegar a tener.</p>

Light of the Southwest with Tamme and Al Cooper Program 08/11/08	8/11/08	8:00 – 10:00 PM – 15 minute segment	Preserving the Constitution	<p>"If you go to a Mormon church 10 to 20 years and you supported that church for 10-20 years, what does that make you? A Mormon. If you join a cult for 10 to 20 years, what does that make you? A Cultist. He joined a cult. There are many Christian cults. Jehovah Witnesses are a Christ Cult Liberation theology is a Christian cult that takes the Bible and liberates the Bible. Moses never parted the sea. They came for social justice. Jesus was really a Blackman who came to give social justice to the black people, if that's your Jesus, then you are a cult. So, Obama is a cult member in a cult church. If Obama has a Christian testimony, I've been searching for it for a long time. I have never found it. I don't care if you were dunked in water, a testimony is not that you have been dunked in water, for heathens will dunk in water and evil men will be dunked in water too. It's not the dunking that makes you a Christian; it's what you profess. What does Barak profess? Second of all, I have never heard of a Muslim becoming a Christian that does not fight Islam. All ex-Muslims expose Islam. You will never find a single Christian who came out of Islam that doesn't expose Islam. Obama is supported by Muslim terrorists. Hezbollah supports him, his Muslim brothers supports him. Al-Qaeda supports him, Hamas supports him. If they support him, what does that tell you? We just got rid of Hussein. Why do we need Obama? Everyone who leaves Islam is persecuted by their family, and Obama is supported by everyone. Obama is trying to dismantle the constitution and make a change. Why do we need change? We need to restore the constitution, not change it. The devil looks to change the set laws. The anti-Christ looks to change the constitution.</p>

Betty Swann Ministries with Betty Swann Program 134	8/19/08	11:30 AM – 12:00 PM	9/11 and situations when we need strenght	<p><b>Standing in Faith During Critical Times:</b> When Al-Qaeda hit the US with suicide attaches, the governor of New York launched a rescue and recovery with strength. Even though the mountains fall, we must look for our faith in God to give us strength. Those in Iraq are serving that way. Who are people in the Bible who had faith in God? What would you do in this situation? What would you think to do? What have you done? Shifra and Puah were midwives who helped Hebrew women have babies and stood up to Pharaoh. They were not to let the male babies live, and when he found out they were being born, he was furious. He called them in and questioned their actions. and went to them. They stood up to Pharaoh and said, Hebrew woman are not like Egyptian women, they are vigorous and have their babies fast. They had a creative answer. Those boys later went into promise land. God gave Shifra and Puah babies of their own. Others in the Bible who had faith in God were, Moses' brother, Aaron. He was Moses' spokesman. David who struck down goliath. He felt the power of God strengthening him. Ebed Melech was a black man who out of concern, fear, and a need to speak up went to the King on behalf of Jeremiah who was put in a cistern to die. The King said take 30 of my men with you and get Jeremiah out before he dies. They lowered cloths and rags down the cistern and brought him out. He went to the palace prison in the courthouse. God talked to Jeremiah. Then there was Jezebel's servants who threw the wicked queen into a den of dogs that ate her. The widow of Zarephath, who had to make to step out</p>

Faith for Families with Joe McGee Program 281	8/20/08	1:30 – 2:00 PM	Family Issues	<b>Prayer Secrets:</b> Prayer is our way to Heaven. There is power in prayer. You have to ask God first. If happy sing praises. Confess your sins and pray for each other. God cares about every detail of your life. Build your faith. Ask anything according to the will of God, and he heareth. The Bible is God's last will and testament. Go boldly before the throne of God and tell him your cares. Don't be ignorant about the Devil. He's like a dragon and serpent. Don't be anxious. God wants us to be joyful and wants to prosper us abundantly. Keep your tongue from evil. Don't sin, don't argue, and don't have deceitful speech. Faith is like a muscle, and takes obedience. Approach god with a thankful heart. Pray without ceasing. Start every prayer with a thank you. Keep short and to the point. If your husband will not pray for you. Start with yourself praying with him. It will jump start him. Acknowledge God in public places. Keep a prayer journal for your prayer requests and mark it when it is answered. God is moving all the time. Light of the Southwest with Al & Tommie Cooper Program 082108	8/22/08	2:00 – 4:00 PM	Health	<p>Special guests are Drs. Frank Setzler and Charles Scott: Things that clean up free radicals are antioxidants. Free radicals are created when oxygen produces by-products during normal cellular metabolism. More accurately, this reactive oxygen steals electrons from proteins, DNA and cell membranes resulting in damaged tissue. If left unchecked, free radicals may cause heart damage, cancer, cataracts, and a weak immune system. Free radicals may be involved with aging of tissue; and coupled with sun damage, could promote skin cancers. Petrochemicals will get into cells in our body. Oxidated stress develops vascular disease. You can get a toxic headache. Coffee enemas will detoxify the liver. Soft drinks cause stomach and pancreatic cancer. People are fatigued. How to Walk in Divine Health with Thurman Scribner Program 165	8/25/08	1:00 – 1:30 PM	Health issues	<p><b>Invisible Beings Affect our Lives, Part 1:</b> You can walk in divine health, but first you have to believe and do what God's word says. You have to believe and be a born again Christian. The Bible is a book that means what it says. If you don't understand it, pray over it and seek God in the book. Use 2-3 translations with each scripture. How do evil spirits/demons affect our lives? They have no power over us, but God is in control of everything. God cannot lie. There are great and powerful gifts from God. If God's words remain in you, and yours in Him, he will give you anything. The requirement is to stay in His word. God will chasten you with sickness and disease, if you don't follow His rules. He is a merciful God, but will send demons to you to teach you a lesson. Diligently</p>

				<p>harken to the voice of the Lord, and do that which is right in His sight, and give your ear to his commandments. Then God will put none of these disease upon you. There are good invisible being who can make your life wonderful. Don't bow down to other gods. Today, many people's god is money. If we obey and serve God and Jesus Christ as our personal savior, he will bless everything we put our hands to. The number of your days will be fulfilled, giving you a long healthy life. His spirit interprets to us the word of God.</p>
Sounds of the Shofar by Dr. Richard Booker Program 301	8/26/08	1:30 – 2:00 PM	History, Faith, and Political issues	<p><b>Time to Favor Zion, Part 1:</b> What does time to favor Zion mean for Christians and Jews? And, what does it mean to God? The world is in a mess. We have a free will, but God has decided the end. With the rebirth of Israel, we see the end gathering. The Arab/Israeli conflict will not work. With the Road Map to Peace being man's plan B, those in authority are trying the same thing over and over, expecting a different result. This is contrary to the God of the Bible, who has plan A. God has a peace process, which is opposite of the nations. God's peace process is to strengthen Israel, building up Zion. For when the Lord builds up Zion, it will be the coming of the Messiah or the second coming. The rebirth of the state of Israel is a miracle. We ignore the events of the Middle East and its impact on us every day. Zechariah predicted Jerusalem would be like a rock to all those against her, and would be immovable. We want to be on God's side. God is upset over the agenda of the nations to destroy the Jews and take their land. This is a spiritual issue, not a political. God is not anti-Arab. We are going to align ourselves with God's plan. He is going to bless Israel. He's going to place salvation and redemption to all</p>
