WUVN COMMUNITY REPORT MARCH

CRIME/ DOMESTIC VIOLENCE

3/1/2024

Program: 6pm & 11pm show

Duration: 2 min

CDC'S Youth risk behavior survey in 2019 shows that nearly 10% of adolescents reported being the victim of physical violence at the hands of an intimate partner during the past 12 months. According to civic heart's teen pregnancy prevention team, youth who are victims of teen dating violence are more likely to experience depression and anxiety symptoms; engage in unhealthy behaviors, like using tobacco, drugs, and alcohol; exhibit antisocial behaviors, like lying, theft, bullying, or hitting; think about suicide.

ELECTIONS

3/5/2024

Program: 6pm & 11pm show

Duration: 2 min

Meanwhile in the nation's capital lawmakers and experts are discussing what are the political expectations and those of the voters themselves. Just hours before the supreme court will vote 9 to zero to keep the president on the ballot in colorado.

Report from Washington

COMMUNITY MIGRANTS

3/7/2024

Program: 6pm & 11pm show

Duration: 2 min

After her trip to space, the Mexican astronaut Katya Echazarreta speaks about the progress of the projects she is carrying out in Mexico to foster greater interest in the aerospace industry among youth, government, and the private sector. This aims to facilitate more Mexicans reaching space.

COMMUNITY/ EXTORTION-SEXUAL SCAM

3/12/2024

Program: 6pm & 11pm show

Duration: 3 min

In other matters, reports of so-called "sextortion" (against minors in the United States) increased by 20% over a six-month period, according to FBI data. Several federal agencies urge parents to stay vigilant regarding their children and strive to maintain open communication with them. Gonzalo Alvarado provides us with the report.

CRIME**3/13/2024****Program: 6pm & 11pm show****Duration: 2 min**

The family of a teenager who tragically died at the hands of the police in California has initiated legal proceedings against the entity, which has yet to reveal the outcome of the investigation into what truly occurred in the incident, recorded by the officers' body cameras. We spoke exclusively with the family.

PUBLIC HEALTH**3/18/2024****Program: 6pm & 11pm show****Duration: 2 min**

It is a cannabis compound known as "T-H-C Light" or "THC Light". A new study is raising alarms about the increase in the number of adolescents using products containing some of these. Lynn Franco explains why some researchers consider it "a potential public health concern".

CITY GOVERNMENT/ TRAFFIC SAFETY**3/19/2024****Program: 6pm & 11pm show****Duration: 30 sec**

In New Haven, where it aims to become the first city in the state to approve traffic security cameras. This comes after two local residents have tragically died in traffic-related incidents so far this year. According to officials, plans are underway to install 19 speed control or red light cameras throughout the city, strategically placed in locations where more accidents have occurred. This initiative would make it the first in the state to undergo such implementation.

PUBLIC HEALTH AND DISEASES**3/21/2024****Program: 6pm & 11pm show****Duration: 1:50 min**

A full report on the comprehensive study revealing an increase in confirmed cases over the past year of patients with Alzheimer's disease. The projections are not at all encouraging.

CRIME/IMMIGRATION

3/25/2024

Program: 6pm & 11pm show

Duration: 2:37 min

National security officials and local CBP authorities have confirmed that among the migrants who crossed the border from Juarez to El Paso, they are encountering more members of terrorist groups and gang members.
