Nature of Fundraising

89.7 KSGN is a ministry designed to build a vibrant community of people who love God and care about each other. Hope to the Hungry is an opportunity for 89.7 KSGN listeners to demonstrate their faith and give generously to a local organization with shared Christian values.

Fundraising Entity

City Mission Ministries assists low-income individuals and families, seniors, and shut-ins by providing Family Food Box meals. They also offer other resources, including: household items, clothing, spiritual care, and mental health counseling.

Description of Cause

Hope to the Hungry is a time of sharing stories of some of the lives impacted by the meals and care from City Mission Ministries. Listeners are invited to provide holiday meals in the form of Family Food Box meals – filled with groceries, enough to make several meals. Every \$1.57 provides a nutritious meal for a hidden and hungry person. When life's circumstances go dim and people begin to feel unseen and uncared for, there's hope. And, HOPE begins with a meal.

Funds Raised

The 2023 Hope to the Hungry Campaign raised \$62,470 total donations from 373 gifts. This represents 39,790 meals.

89.7 KSGN Good News Radio did not participate in receiving any funds for this non-profit organization.
