2/14/2016 11:10:44 The Changeup	Politics	Supreme Court Justice Antonin Scalia passed away this week, leaving some issues for the Supreme Court. The Court is now split evenly between Democrats and Republicans, which can potentially cause issues for passing laws. Many feel that it will be challenging to replace Scalia, and there are conflicts between President Obama and Congress since they have opposing views. Appointing a new Supreme Court Justice may be difficult, and we may have to wait until a new President takes office before appointing a new Justice.
