RE: Issues and Programs – 2nd Quarter 2020 / KVEG-FM

KVEG continues to support education and the Clark County School District by supplying music, deejays, street teams, and mixers at various school events for no charge. Through these events, KVEG proactively reaches out to the youth of the Las Vegas community with the message of promoting the advantages of obtaining a quality education.

Unfortunately, during the months of April, May, and June of 2020, the KVEG street teams were not able to visit schools due to COV-19 school closures.

However, KVEG was still able to be a positive presence in our community as we educated our listeners on the dangers of COV-19, and encouraged them to follow the CDC guidelines and procedures for proper hygiene (such as hand washing) and social distancing as well as wearing masks, and maintaining the quarantines imposed by our Governor in the state of Nevada and the Southern Nevada Health District.

KVEG 97.5 FM also broadcast 267 public service announcements during the 2nd Quarter of 2020, from the non-profit organization Nevada Broadcasters Association.
