Generous donors will match up to \$35K during this three-day campaign. Make your matching donation today to help families in Eastern Idaho.
Having a child in the hospital places a huge financial burden on families. There is no cost for families to use the Ronald McDonald Family Room; generous donations from the community make this possible. Any family with an ill or injured child at EIRMC can use the Ronald McDonald Family Room at no cost, whether they live here in Idaho Falls or traveled from outside the area. At the Ronald McDonald Family Room, families with ill children can grab a hot meal or snack, do laundry, take a nap, shower, relax in a home-like environment, and even stay the night all without leaving EIRMC.
