Re: KCDO-TV Must-Carry Election

Ladies and Gentlemen:

Channel 3 TV Company, LLC, licensee of KCDO-TV, Sterling, Colorado, within the Denver Designated Market Area ("DMA," as determined and published by Nielsen Media Research), hereby informs you that it is electing must-carry status on each and every cable system operated by Comcast and/or its affiliates in the Denver DMA for the cycle beginning January 1, 2012. Systems included but not limited to are Greeley, Longmont, Denver, Fort Collins and others. This election is made pursuant to the rules of the Federal Communications Commission ("FCC"), specifically 47 CFR § 76.64(f).

KCDO-TV broadcasts on digital channel 23 with major channel 3 included in its PSIP. Pursuant to Section 76.57 of the FCC's rules, KCDO-TV elects carriage on its major channel, channel 3. In addition, because your systems are now providing carriage of Denver market stations in High Definition, we request continued carriage of KCDO-TV in High Definition on channel 649.

If you have any questions regarding this carriage election, please address them to my attention at the mailing address, email address, or telephone number provided below.

Sincerely,

Greg Armstrong

Re: KCDO-TV Must-Carry Election

Dear Merritt:

Channel 3 TV Company, LLC, licensee of KCDO-TV, Sterling, Colorado, within the Denver Designated Market Area ("DMA," as determined and published by Nielsen Media Research), hereby informs you that it is electing must-carry status on each and every cable system operated by CommuniComm Services and/or its affiliates in the Denver DMA for the cycle beginning January 1, 2012. This includes your systems in Otis, Yuma and Akron and any others within the Denver DMA I am unfamiliar with. This election is made pursuant to the rules of the Federal Communications Commission ("FCC"), specifically 47 CFR § 76.64(f).

KCDO-TV broadcasts on digital channel 23 with major channel 3 included in its PSIP. Pursuant to Section 76.57 of the FCC's rules, KCDO-TV elects carriage on its major channel, channel 3. In addition, if, during the upcoming three-year cycle, if any CommuniComm Services cable system provides carriage of Denver market stations in High Definition, we request carriage of KCDO-TV in High Definition in the same tier and neighborhood with the High Definition signals of such other Denver station(s).

If you have any questions regarding this carriage election, please address them to my attention and thank you.

Sincerely,

Greg Armstrong
