Re: KCDO-TV Must-Carry Election

Dear Eagle Communications:

Channel 3 TV Company, LLC, licensee of KCDO-TV, Sterling, Colorado, within the Denver Designated Market Area ("DMA," as determined and published by Nielsen Media Research), hereby informs you that it is electing must-carry status on each and every cable system operated by Eagle Communications and/or its affiliates in the Denver DMA for the cycle beginning January 1, 2012. This includes Wray and any other Denver DMA systems not listed here. This election is made pursuant to the rules of the Federal Communications Commission ("FCC"), specifically 47 CFR § 76.64(f).

KCDO-TV broadcasts on digital channel 23 with major channel 3 included in its PSIP. Pursuant to Section 76.57 of the FCC's rules, KCDO-TV elects carriage on its major channel, channel 3. In addition, if, during the upcoming three-year cycle, if any Eagle Communications cable system provides carriage of Denver market stations in High Definition, we request carriage of KCDO-TV in High Definition in the same tier and neighborhood with the High Definition signals of such other Denver station(s).

If you have any questions regarding this carriage election, please address them to my attention and thank you.

Sincerely,

Greg Armstrong

Re: KCDO-TV Must-Carry Election

Dear Vince:

Channel 3 TV Company, LLC, licensee of KCDO-TV, Sterling, Colorado, within the Denver Designated Market Area ("DMA," as determined and published by Nielsen Media Research), hereby informs you that it is electing must-carry status on each and every cable system operated by U S Cable and/or its affiliates in the Denver DMA for the cycle beginning January 1, 2012. This includes Holyoke, Haxtun and any other Denver DMA systems not listed here. This election is made pursuant to the rules of the Federal Communications Commission ("FCC"), specifically 47 CFR § 76.64(f).

KCDO-TV broadcasts on digital channel 23 with major channel 3 included in its PSIP. Pursuant to Section 76.57 of the FCC's rules, KCDO-TV elects carriage on its major channel, channel 3. In addition, since these PC Telecom cable systems provide carriage of Denver market stations in High Definition, we request carriage of KCDO-TV in High Definition in the same tier and neighborhood with the High Definition signals of such other Denver station(s).

If you have any questions regarding this carriage election, please address them to my attention and thank you.
