Re: KCDO-TV Must-Carry Election

Dear Jade Lee:

Channel 3 TV Company, LLC, licensee of KCDO-TV, Sterling, Colorado, within the Denver Designated Market Area ("DMA," as determined and published by Nielsen Media Research), hereby informs you that it is electing must-carry status for the Galva Cable system serving Hugo, CO for the cycle beginning January 1, 2015. This election is made pursuant to the rules of the Federal Communications Commission ("FCC"), specifically 47 CFR § 76.64(f).

KCDO-TV broadcasts on digital channel 23 with major channel 3 included in its PSIP. Pursuant to Section 76.57 of the FCC's rules, KCDO-TV elects carriage on its major channel, channel 3. In addition, if, during the upcoming three-year cycle, if Galva Cable Company provides carriage of Denver market stations in High Definition, we request carriage of KCDO-TV in High Definition in the same tier and neighborhood with the High Definition signals of such other Denver station(s). Lastly, KCDO-TV channel 3.2 is available for must carry and we request if carried that this channel is in the same digital sub-channel tier as other Denver station(s).

If you have any questions regarding this carriage election, please address them to my attention at the mailing address, email address, or telephone number provided.

Sincerely,

A handwritten signature in black ink that reads "Greg Armstrong".
