Quarterly Issues Report

2ND Quarter 2015

4/01-6/30/15

In accordance with the Federal Communication Commission rules and regulations, we have identified crime prevention, the economy, public safety, the environment, the homeless, hunger and health care/safety as the community issues most significant to our viewers. We have addressed these issues using the following methods:

1. News Franchises.
2. Non-news programming devoted to community issues.
3. Related public service announcements run during the quarter.
4. Charity Sponsorships.

1-News Franchises:

“Pet of the Week” Segment (Animal Welfare)

Mondays **KVAL News on Fox** 7am newscasts 1-2 Minutes segment

The Greenhill Humane Society houses many pets looking for homes. Each adopted pet comes with a micro-chip and 1 month of free pet insurance. Greenhill recommends that you get your pet spayed or neutered in order to control the pet population in our community. Each adopted pet gets a free appointment with a vet to be spayed/neutered.

In-Depth Coverage of Issues of Importance in the Community:

Sexual Assault on Campuses (Public Safety) **Fox News at 7** (7pm) & **Fox News at 10** (10pm)- News segments about the issue of sexual assault on Oregon campuses.

4/14/15 **Fox News at 7** (7pm) & **Fox News at 10** (10pm)–The Oregon House approved two Bills that will increase protections for victims of sexual assault and violence. House Bill 34-76 addresses the serious problem of sexual assault on college campuses. The Bills will now head to The Senate.

5/08/15 **Fox News at 7** (7pm) & **Fox News at 10** (10pm)–Six University of Oregon employees, including a Vice President, are being investigated after complaints they mishandled therapy records of a student that was allegedly gang raped. The Oregon State Bar and Oregon Board of Psychologist Examiners are investigating complaints filed by Staff Therapist, Jennifer Morlok. Morlok claims the school illegally went through and released the student’s medical records.

5/11/15 **Fox News at 7** (7pm) & **Fox News at 10** (10pm)–The University of Oregon is one step closer to implementing new rules regarding sexual misconduct. They started a trial run earlier this year and recently the Board of Trustees reviewed how the changes are working. Lisa Nico has the details.

Vaccination and Student Health (Public Health)

Fox News at 7 (7pm) & **Fox News at 10** (10pm)-News segments about new outbreaks and the debate over vaccinations and exemptions for our community’s youth.

5/29/15 **Fox News at 7** (7pm) & **Fox News at 10** (10pm)–A 7th case of the potentially deadly Meningococcal disease has been linked to an outbreak at the University of Oregon. As the school year closes out, students are once again urged to get their vaccinations. Health officials point to the latest case as proof the illness still lingers on campus. The Oregon Health Authority is using this as an opportunity to talk about how to prevent the spread of this potentially deadly disease. Prevention tips and symptoms are discussed.

6/04/15 **Fox News at 7 (7pm) & Fox News at 10 (10pm)**-The Springfield School District is trying to get the word out to parents: three of their bus drivers are concerned they may have been exposed to a possible case of bacterial meningitis. Lane County Public Health says they're not concerned about an elevated risk of meningitis to the public. The District is sending a letter home with students, will send a copy in the mail and will be calling families later tonight about the situation. UPDATE: 6/05/15 **Fox News at 7 (7pm) & Fox News at 10 (10pm)**-Follow-up on that bus driver; the test results for bacterial meningitis are negative.
