Quarterly Issues Report

4TH Quarter 2018

10/01-12/31/18

In accordance with the Federal Communication Commission rules and regulations, we have identified crime prevention, the economy, public safety, the environment, the homeless, hunger and health care/safety as the community issues most significant to our viewers. We have addressed these issues using the following methods:

1. News Franchises.
2. Non-news programming devoted to community issues.
3. Related Public Service Announcements run during the quarter.
4. Internships.

***Note: This document was completed on January 9th, 2019. Although completed by the deadline, this Programming Issues File was not uploaded to the OPIF due to the government shutdown.**
