Dear Mr. Soechtig:

The Investigations and Hearings Division of the Federal Communications Commission (FCC) has completed its review of the response of WDIZ(AM), Venice, FL (Fac ID No. 3060) and the other above-mentioned stations, (the "Station Employment Unit"), to the March 21, 2022 random audit issued in accordance with the provisions of 47 C.F.R. § 73.2080(f)(4) of the FCC's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required.

Pursuant to Sections 73.3526(e)(10) (commercial) and 73.3527(e)(11) (noncommercial) of the FCC's rules, this letter, our March 21, 2022 audit letter, and the audit response must be posted to the online public inspection file belonging to each station in the Station Employment Unit. These materials must be retained in the public inspection file until grant by final order of the Station Employment Unit's next license renewal application(s).

Should you have any questions concerning this matter, you may contact EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

/s/ Elizabeth Goldin
