Title	Giving Up Sugar, Tasting God's Goodness
Length	26 minutes
Description	As a latchkey kid, Wendy Speake turned to sugar for comfort. Every Friday, she would pedal to the candy show and use her allowance to fill her bag with candy. And one day, when she was older and a mom of three young boys, she came to realize that she was still "pedaling" away from her stress and using sugar as comfort, instead of turning to Jesus. She was joyless, worn out, tired, and in need of a change. In this interview, Wendy will challenge Christians to take 40 days to focus on fasting from something they turn to instead of Jesus for comfort. She invited people to break free from a dependence on sugar and taste the goodness of God.

She provided a lot of great advice to parents and teens about navigating issues like attitude, parent/child conflict, trust & freedom, siblings, and more.
