Title	Reaching Across Cultural Divides I-II
Length	26 minutes
Description	Racial disharmony is tearing communities apart, both inside and outside the Church. But Jesus is the great reconciler, and we too are called by God to build bridges, cross cultural lines, and model diversity in every area of our lives. Dr. David Ireland, pastor of a multi-ethnic church and diversity consultant to the NBA, shares stories from his own life about how we was persecuted and how God redeemed that to give him a heart for reconciliation. He also shares stories from his church about formerly racist people forgiving each other, and he talks about how prejudice within the church is not always about race. He explains how to allow personal change and let go of prejudice, how to have healthy cross-cultural friendships and how to facilitate authentic reconciliation.

Title	Investigating the Eyewitness Accounts of Jesus Christ I-II
Length	56 minutes
Description	In his previous broadcast, J. Warner Wallace presented a powerful message about the life and influence of Jesus as the most significant "person of interest" in history – based solely on evidence outside the Bible. In this new interview, he will share how he used his investigative skills to rigorously tested the Gospels by examining the reliability of witnesses, circumstantial evidence, forensic statement analysis, and presumptions and conspiracy theories. Through his own faith journey and the context of his police-work

analogies, Wallace will provide a compelling evangelistic message that will challenge nonbelievers and inspire Christians to be bolder in their faith.

Title	Hope and Encouragement for Moms
Length	27 Minutes
Description	Motherhood is rewarding, but it can certainly have its challenges. And sometimes, you just need to step back, close your eyes, say a little prayer, and take a breath. On this one-day Focus on the Family broadcast, Kirsten Watson offers encouragement for moms in the trenches. As a mom of seven and wife of NFL veteran Benjamin Watson, Kirsten reminds you to embrace your identity in Christ and trust God through the everyday-ness of motherhood.

Her husband left his prestigious career behind to care for her full-time. It was a decision that had been made in his heart, years earlier, when he vowed "in sickness or in health." Hear the lessons Robertson McQuilkin learned about true love as he provided full-time care for Muriel for over a decade.
