Title Being There For Your Son I-II (HC)

Length 26 minutes

Description What kind of father does a boy need? In an upbeat recorded message, the late Steve Farrar encourages men to invest time and energy into the lives of their sons, in spite of the fact that our culture emphasizes the importance of a man's career. Steve reminds men that God wants them to love His Word deeply and teach Scriptural truths to their children and grandchildren.

Title A Safe Place for Girls to Grow Up as Women

Length 25 minutes

Description Patti Garibay was an active leader and volunteer in the Girls Scouts USA for 12 years until 1993 when Girls Scouts USA moved away from their godly roots and beliefs. This change created a crisis for many Christian families, and after attempts to change the organization from within, Patti felt called by God to the alternative faith-based organization American Heritage Girls in 1995. Patti has a passion to help girls and their families navigate significant cultural issues impacting young women today. In this interview she'll share stories about lives transformed by American Heritage Girls.

Title Learning to Love Others with the Heart of Jesus

Length 26 minutes

Description The Scriptures tell us God is love, and as believers, we should love others. But so often, we limit our love to the people in our immediate circle. We forget to reach out to those who really need a touch from Jesus and love on them in the way He would want us to. On this one-day Focus on the Family broadcast, John Burke encourages you to model Christ's heart for others rather than the heart of the Pharisees. You'll learn how unfair

perceptions and judgments creep into the way you see and treat people. John reminds you of God's love for you and others because you are a Masterpiece created by God!

Title Parenting Teens Toward Adulthood I-II (HC)
Length 57 minutes
Description Dr. Ken Wilgus encourages parents to deliberately work their way out of the parenting role by the time their child is 18, and instructs them to see their teenagers as young adults, not large children. He offers tips on how to progressively give your teen more responsibility, along with examples of how to have difficult conversations on a range of topics, from music choices to dating.

Title Rediscovering Your Joy in Motherhood I-II
Length 56 minutes
Description Ashley Willis aims to encourage moms to hold tight to the peace of God through every moment of parenting. She introduces four "peace pirates" that steal joy and how to effectively combat them -- mommy martyrdom, clenching control, excessive expectations, and comparison chaos.
- Date 09/15/2022
Title How to Help a Friend Who is Thinking about Suicide
Length 26 minutes
Description According to Centers for Disease Control and Prevention (CDC) data, suicide is the second leading cause of death among people ages 10-34. And even though suicide is pervasive, the stigma around depression causes many to suffer silently. You can play a powerful role in helping friends who may be in a downward spiral toward suicide. Tune in to learn key warning signs and find out how you can offer hope to loved ones battling despair.
