## Exploring Possibilities in 4th Annual Career Day

Over 45 professionals joined Pewaukee High School students on Oct. 11 for Career Day exploration. Students chose sessions from a list of speakers who spoke about their professions.

"We were thrilled with the way things went for our College and Career Readiness Day. Not only was the turnout from students wonderful, but students completed their testing and were positively engaged in career activities all afternoon. Many students shared excitement with me regarding some of the different things they have learned with careers. It was also wonderful to

see so many of our staff making connections to our speakers. We could not have been more happy with how the day turned out from the attitude of our students to the participation and time that our speakers took. Our goal to 'Open Doors to the futures of our students' was met by having such a variety of careers. The partnership we have established with Junior Achievement and MRA provided for such a successful event," says School Counselor Amanda Sorkness.

Pictured below is Fox 6 reporter Angelica Doria. She discussed her career in broadcast journalism with students.

## Fall Book Discussions in iRead Summer Program

English teacher Dave Zindler headed up the summer iRead program that involved over 150 students. Over 100 students participated in the follow-up discussions in the fall.

"The discussions on Sept. 14 were fabulous. In large part because students from very diverse social groups had the opportunity to interact in a casual, academic environment," says Zindler.

WaterStone Bank Community President Robin Kaufmann says, "As a representative of WaterStone Bank, it was a pleasure to sponsor Pewaukee High School's Summer Reading Program. Much to my delight, we were asked to participate in the reading and discussion of one of the books. My banker,

Shannon Loper, and I truly enjoyed being a part of this program. The interaction we had with the high school students we sponsored was very fulfilling. We had a rich discussion on a book we truly enjoyed, and had a lot of fun hearing the different perspectives. I look forward to participating in the program in the future, and would encourage other local businesses to get involved!"

Pictured are teachers Brenton Roberts (top photo, right) and Dave Zindler (bottom photo, table head) leading discussions for students on books students read in the iRead program. Shannon Loper (top photo, left) and Robin Kaufmann (top, second from left) joined a discussion led by Roberts.

## New Courses Promote Healthy Lifestyles

Imagine having choices in gym class that include kayaking, geocaching, rock climbing or yoga on the beach. This is just a sample of what Pewaukee High School students are enjoying this fall in their physical education classes.

Every 5 years, curriculum is reviewed and improved in specific subject areas according to a rotation schedule. Curriculum is reviewed to better meet the needs of all students. Physical education was on the Curriculum Review and Design Process schedule last year, resulting in the new curriculum beginning this fall.

Courses offer a more personalized learning environment tailored to interests students have at this point in time. Students are required to take 1.5 credits in physical education for graduation. Each course is a semester in length and worth .5 credit.

All classes have a fitness training and assessment component. Freshman are required to take an introductory course. Students in grades 10-12 have a variety of options in order to pursue individual interests for the remaining requirements, as well as elective classes.

Teachers Karen Spurr and Mike Basile are introducing students to community resources for developing and promoting habits that will continue into adulthood. Pewaukee School Yoga and Sheri Kayak's Outdoor Programs LLC are examples of local businesses that are participating in offering experiences for students this fall. Shown below is a student who enjoyed the kayak lessons.

"The new PE classes at Pewaukee High School are off to such a great start! Student choice has been an important factor impacting student interest and participation. It is great to see the students active, learning new skills, and enjoying physical activity, and so much fun to offer a new and engaging curriculum," says Spurr.

Dear Chuck:

In accordance with the WBA's Assistance Action Plan for EEO Compliance, this letter confirms that WITI TV was represented by you at the **"HIRING SMART FOR BROADCASTERS: LEGAL ISSUES IN HIRING AND EFFECTIVE STRATEGIES TO PROMOTE EQUAL EMPLOYMENT OPPORTUNITY AND PREVENT UNLAWFUL DISCRIMINATION"** which was held as part of the WBA's 2014 Winter Conference on Wednesday, January 22, 2014 from 10:45 AM - 11:45 AM at the Madison Concourse Hotel, Madison, Wisconsin.

One of the menu option initiatives under the FCC's Outreach Prong 3 states: "One full 'Menu Option Initiative' credit for participating in a program for station management that will teach them how to ensure Equal Employment Opportunity and prevent unlawful discrimination". The WBA will be offering this training program four times over a two year period. The seminar will be held in conjunction with the WBA Winter and Summer Conferences, this initiative began with the 2006 Winter Conference - this is a similar process as the Job/Career Fairs. If a station routinely sends management to these courses, by the end of the segment, (two year period), the SEU would claim one full menu option credit for that two year period. Please note - these four seminars will each be on different discrimination topics, so an SEU will need to have someone from management in attendance at all four sessions to get the full menu option credit."

Please feel free to contact me if you have any questions! We look forward to helping you, our valued member, with your EEO Compliance.

Sincerely,

The seminar will be held in conjunction with the WBA Winter and Summer Conferences, this initiative began with the 2006 Winter Conference - this is a similar process as the Job/Career Fairs. If a station routinely sends management to these courses, by the end of the segment, (two year period), the SEU would claim one full menu option credit for that two year period. Please note - these four seminars will each be on different discrimination topics, so an SEU will need to have someone from management in attendance at all four sessions to get the full menu option credit."

Please feel free to contact me if you have any questions! We look forward to helping you, our valued member, with your EEO Compliance.

FOUNDATION  
MEMORANDUM

TO: Radio & TV General Managers

FROM: Linda Baun - WBA Vice President

DATE: September 9, 2013

**IF YOU HAVEN'T ALREADY RESPONDED AND NEED EEO CREDIT!!**

Please respond by October 4, 2013 – Plan on using the Scholarship Menu Option of the WBA's Assistance Action Plan for EEO Compliance!!

As per the WBA's Assistance Action Plan For EEO Compliance, the following is one of the ways your WBA can help you earn non-job vacancy specific menu option initiative credits: The WBA Foundation has established a scholarship program which extends scholarships to worthy students on an annual basis **(the application process is open from the beginning of September to October 18)**. To obtain one full "Menu Option Initiative" credit per two year period, each SEU should:

- 1) Once every two years - donate to the Foundation (earmarked for scholarships) a minimum of \$100 for radio SEUs with 1 or 2 stations, a minimum of \$200 for radio SEUs with three or more stations, and a minimum of \$300 for TV SEUs. If it is your year to make a donation the WBA will send you a donation reminder.
- 2) Each year of the 2-year period - promote the availability of the scholarship program over the SEUs stations and direct interested candidates to mail, fax or e-mail the station requests for an application (sample script enclosed).
- 3) Each year of the 2-year period - provide blank application forms upon request (enclosed).
- 4) Each year of the 2-year period - be available to answer questions about the program.
- 5) Each year of the 2-year period - make an initial evaluation of the candidate for the evaluation committee. The WBA will send each SEU copies of the applications asking for input based on the student's GPA, post high school employment & extracurricular activities, awards & honors, broadcasting experience and commitment, and his/her response to an essay question, before they are sent on to the Education Committee and the WBA Foundation Board for judging.

So that we can target the evaluation mailing (#5) to just those SEUs who plan on using this option for EEO credit, please fax (608) 256-3986 (ATTN: Linda Baun) or e-mail (lbaun@wi-broadcasters.org) by October 4, 2013 as we need to know in advance who plans on participating.

X YES - our SEU plans on participating in the scholarship program for EEO credit.

Hi Julie,

If you can provide the answers to the questions below, you will be all set.

1. How many representatives will you be bringing to the fair, and what are their names?  
Keep in mind that you will receive one six foot table for you and all of your materials.
2. What type of positions are you looking to hire?  
**Example:** Part-Time, Interns, Full-time
3. What type of industry would you consider your organization/company? (Trying to cover as many industries as possible)  
**Example:** Non-profit, community based, marketing/advertising, business, youth development, etc.
4. Are there any specific degrees that an employee/intern would need to have?  
**Example:** Looking for accounting, engineering, business, any degree, etc.

I've attached a map, if you haven't been at one of our fairs in the past, the fair itself will be held in Bonaventure Hall – in the 1<sup>st</sup> Floor Corridor ( Building C on the map). You can drop off your tabling supplies at the awning on the south end of the building and we will have staff to deliver it to your table. You can park for free in Parking Lot #3 – or in lots #8 or #5 if Lot #3 is filled. See you next week.

Hi Katrina, I hope you are doing well.

I am teaching the freshman LLC again this fall and was wondering if the new batch of students could tour Fox 6 again. The students were over the moon excited by the tour last year.

If so, the class meets Monday and Wednesday 11 a.m. to 12:15 p.m.

If possible would Monday Sept. 15 work? Otherwise I can be flexible.

Thanks Katrina,

We are only in the beginning stages of introducing them to video broadcasting - so really any information will be great for them. I think if you can cover all the different types of jobs associated with broadcasting and what goes into creating a news broadcast or show would open their eyes to the possibilities they have for careers. They've had some experience recording, editing, and producing some events, but our equipment is minimal and even my knowledge is limited in some areas.

Thanks again - this will be a great experience for the students!

I moved some things around - we can make it there by 9:30 on March 27th if that works for you.

Unfortunately that would not work for the students.

Thank you for your response!

Comment: Mr. Steinmetz,

I am a teacher at East Troy High School. This year, our school started a broadcasting class, which I am supervising. I was hoping that we could get a tour of your facilities and maybe some behind the scenes looks at broadcasting your shows. We only have a small number of students - four to be exact - that I would bring along, but they are four dedicated students who are looking at broadcasting as a possible career. The more information they have, the better their choices can be.

If this is something you do not normally do, I appreciate you giving me your time!

The date I was looking at was Friday, March 27 - maybe in the late morning or early afternoon.

Thank you again for your time.

Hi Julie,

I can make that work. A Thursday would be best - I would maybe suggest a time in between our newscasts so it's not so hectic. 12:15pm - 1:15pm? If that can't work then we'll make the 9:30am work.

Thanks!

Stephanie

Hi Julie,

Thank you so much for taking the time to reply to our request.

We are probably looking at about 15 students, and a couple adults. We could be there by 9:30am, but are open to what works best for your programming.

I would say a Wednesday or Thursday is best, before May 15th if possible.

Dear Mr. Kramp:

This letter recognizes your involvement with the Students Talking It Over with Police (STOP) Program and the Inaugural STOP Awards. The Office of Community Outreach and Education has a team of officers working to build trust and establish lasting relationships with area youth. We are grateful that you value their efforts enough to become a partner and advocate for the program.

To date, STOP has been introduced in 74 schools and has graduated over 1,700 young leaders from the program. In celebration, the STOP Awards Show was created this year and attended by 60 schools and over 700 graduates. It provided an opportunity to honor their accomplishments and highlight their talents.

Your contribution, as Emcee, was vital in making this event a huge success. We appreciate your support and the investment in our youth - tomorrow's leaders.

Sincerely,

EDWARD A. FLYNN

Dear Chuck:

In accordance with the WBA's Assistance Action Plan for EEO Compliance, this letter confirms that WITI TV was represented by you at the at the **EEO Seminar: "AVOIDING DISCRIMINATION IN EMPLOYMENT TERMINATIONS"** which was held as part of the WBA's 2015 Winter Conference on Wednesday, January 21, 2015 from 10:45 AM-11:45 AM at the Concourse Hotel in Madison, Wisconsin.

One of the menu option initiatives under the FCC's Outreach Prong 3 states: "One full 'Menu Option Initiative' credit for participating in a program for station management that will teach them how to ensure Equal Employment Opportunity and prevent unlawful discrimination". The WBA will be offering this training program four times over a two year period. The seminar will be held in conjunction with the WBA Winter and Summer Conferences, this initiative began with the 2006 Winter Conference - this is a similar process as the Job/Career Fairs. If a station routinely sends management to these courses, by the end of the segment, (two year period), the SEU would claim one full menu option credit for that two year period. Please note - these four seminars will each be on different discrimination topics, so an SEU will need to have someone from management in attendance at all four sessions to get the full menu option credit."

Please feel free to contact me if you have any questions! We look forward to helping you, our valued member, with your EEO Compliance.

Dear Chuck:

In accordance with the WBA's Assistance Action Plan for EEO Compliance, this letter confirms that WITI TV was represented by you at the Job/Career Fair which was held as part of the WBA's 2015 Winter Conference on Wednesday, January 21st from 8:30 AM - 10:30 AM at the Madison Concourse Hotel in Madison, Wisconsin. We had over 85 job seekers in attendance. If you'd like a listing of those that attended the Job/Career Fair, along with their contact information, please contact me at the [lbaun@wi-broadcasters.org](mailto:lbaun@wi-broadcasters.org). I will get to you the pertinent information.

One of the menu option initiatives under the FCC's Outreach Prong 3 is participation in at least four job fairs or careers fairs by personnel who have substantial responsibility in the making of hiring decisions. WBA sponsors two job/career fairs each year - one in conjunction with our annual winter conference (January) and one in conjunction with our annual summer conference (June). Full SEU participation in each job/career fair should earn the SEU a 1/4 credit. Accordingly, over a 2-year period of participating in these WBA sponsored job/career fairs, and SEU should earn a full credit.

Please feel free to contact me if you have any questions! The WBA looks forward to helping you, our valued members, with your EEO Compliance.

Sincerely,
