Shane: Hi, I'm Shane Bellefy running for Cherokee County Supervisor. I first want to thank Duane Mummert for his 40 years of public service. That's dedication and that's why I decided to run. We have so much to appreciate, but there is still work to do. I believe my experiences in the financial sector, ability to negotiate and work with people along with the willingness to learn...coupled by my burning desire to see Cherokee County thrive...make me the right candidate. I'm asking for your vote as the Cherokee County Supervisor in the June 4th primary.
