

**QUARTERLY LIST  
OF  
COMMUNITY ISSUES  
AND  
RESPONSIVE PROGRAMS**

January 1, 2013 through March 31, 2013

In an ongoing effort to serve the public interest, KQOB and its owners, Chisholm Trail Broadcasting, Inc. offers a variety of programming, responsive to the issues of concern to the listening audience. Below is a list of the station's most significant programming treatment of those issues for the period of January 1, 2013 through March 31, 2013.

**HEALTHCARE-** This station chose to address a variety of health issues of continuing importance to our listeners. These issues cover areas of health care ranging from infants to adults.

**THE ARTS-** This station believes it is important to support the arts and the entities that work hard to bring the arts to this community, whether it be a museum or a theater group.

**ENVIRONMENTAL AWARENESS-** This station strives, whenever possible, to alert the community to opportunities to make the environment in which they live a better, healthier one.

**COMMUNITY AWARENESS-** This station has worked to provide non-profit agencies an outlet to inform the community about services available to them.

**SAFETY-** this station makes an effort to inform its listeners of ways to make their world safer by having knowledgeable people talk about a variety of pertinent issues.

**EDUCATION-** this station chose members of the educational community to inform listeners of classes, workshops and other opportunities to be better educated.

**ECONOMY-** this station has given professionals the chance to inform its listeners of its economic health and ways to improve the business environment.

**FAMILY-** this station supports families and their day-to-day issues. It has brought information that covers issues ranging from better parenting to how to be a better sibling/ student.
