

**QUARTERLY LIST
OF
COMMUNITY ISSUES
AND
RESPONSIVE PROGRAMS**

July 1, 2014 through September 30, 2014

In an ongoing effort to serve the public interest, KQOB and its owners, Chisholm Trail Broadcasting, Inc. offers a variety of programming, responsive to the issues of concern to the listening audience. Below is a list of the station's most significant programming treatment of those issues for the period of July 1, 2014 through September 30, 2014.

HEALTHCARE- This station chose to address a variety of health issues of continuing importance to our listeners. These issues cover areas of health care ranging from infants to adults.

THE ARTS- This station believes it is important to support the arts and the entities that work hard to bring the arts to this community, whether it be a museum or a theater group.

ENVIRONMENTAL AWARENESS- This station strives, whenever possible, to alert the community to opportunities to make the environment in which they live a better, healthier one.

COMMUNITY AWARENESS- This station has worked to provide non-profit agencies an outlet to inform the community about services available to them.

SAFETY- this station makes an effort to inform its listeners of ways to make their world safer by having knowledgeable people talk about a variety of pertinent issues.

EDUCATION- this station chose members of the educational community to inform listeners of classes, workshops and other opportunities to be better educated.

ECONOMY- this station has given professionals the chance to inform its listeners of its economic health and ways to improve the business environment.

FAMILY- this station supports families and their day-to-day issues. It has brought information that covers issues ranging from better parenting to how to be a better sibling/ student.
