Dear Friend of Maria'Z Hope Foundation, Inc.,

On behalf of Maria'Z Hope Foundation, Inc., we cannot thank you enough for your support of our "Mardi Gras Masquerade" Fundraiser on March 22, 2015. Your generous donation of T-shirts, CD's, assorted promotional items and a Gift Card to Pacific Tanning for our raffle baskets is greatly appreciated.

The donations that Maria'Z Hope Foundation, Inc. receives currently funds many people seeking accredited alternative treatments and therapies for chronic, life-threatening illnesses that are not covered under traditional insurance plans.

Your donation was instrumental in helping us raise \$18,000. These funds will enable us to offer an 8-week Holistic Nutrition/Cooking Class beginning Monday evening, April 27, 2015 and an ongoing "Writing to Heal" Class that meets weekly on Tuesday mornings to all of our participants in addition to their individual alternative treatment funding.

Heartfelt Thanks,

Dear Long Island News Radio,

On behalf of the Mount Sinai High School SADD Club, I would like to thank you once again for your generosity in sponsoring our 4<sup>th</sup> Annual Turkey Trot 5K and Fun-Run 1K. On Saturday, November 29<sup>th</sup>, 405 runners of all ages and abilities took part in our event. This year, largely with the support of people such as yourself, we were able to raise over \$5,000 to donate to "Holiday Magic", a local non-profit organization that provides holiday gifts and winter clothing to children in need from Long Island. We appreciate your support and so do the needy children of Long Island. Please accept the enclosed t-shirt as a small token of our appreciation.

Sincerely,

Rebecca Lynch

Dear My Country 96.1:

I wish to thank you for your raffle prize donation of four tickets to the "Salute to our Heroes Show" and two T-shirts for our recent event "Comedy for a Cause." Your generous donation contributed to the success of our event. We understand that you must get many requests for donations for many causes and from many organizations. You can rest assured that we truly appreciate the fact that you chose to honor our request.

Your donation helped us raise much needed funds for a local Veteran, a single mother of three, who has recently fallen on hard times. We are confident that after this hand up, not a hand out, she will be able to provide for herself and her children without further assistance.

Thank you again for your support.

Sincerely,

John J. Rago

Dear Mr. Caracciolo,

I want to take this opportunity to thank you on behalf of the members of VFW Post 400 for allowing us to participate in Vets Rock 2013.

The people that attended the concert could have not been more kind to us. It indicates that they were not only there to hear great country music, but also to show their appreciation, gratitude and respect towards our Veterans. Their kindness and generosity will help us help those Veterans in need.

It is so easy to take for granted the freedoms that we enjoy every day in this glorious country of ours and that it is our Armed Forces that fought to protect and defend those freedoms in the past and continue to fight in the present. Your support of our Veterans through Vets Rock helps remind people not to take these things for granted.

Thank you again for your support and, if permitted, look forward to participating in Vets Rock 2014.

Sincerely Yours,

Protection Hose Company #1

Dear Ms. Drake,

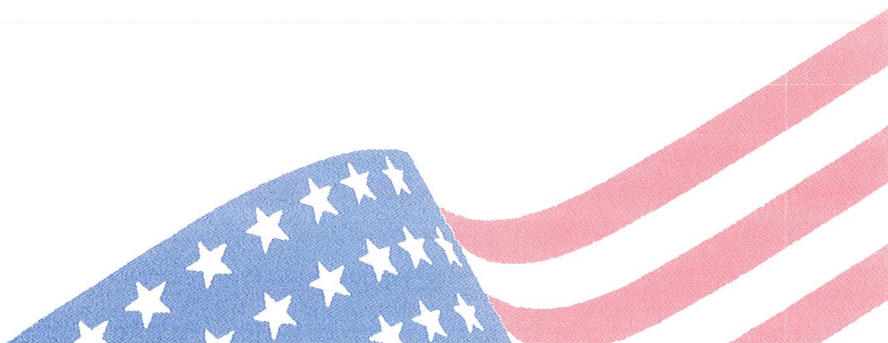

I would like to take this opportunity to thank you and JVC Broadcasting for supporting our recent fund raiser. The Protection Hose Company of the Huntington Fire Department held its second annual country hoedown, complete with live country music, bbq and raffles.

Your donation of tickets to see Freedomfest at the Pennysaver Amphitheatre, in addition to tickets for Adventureland, was a highlight of the raffle, and surely drew in greater participation. As promised, we hung the numerous posters that you supplied us with around the grounds, and made certain that Country 96.1 was recognized for the benevolence.

Sincerely,

Dear Sponsor:

On behalf of the American Cancer Society, the Relay For Life of Brentwood High School, I would like to express my sincere thanks for sponsoring our 2014 Relay for Life event.

At Relay For Life events, communities across the globe come together to honor cancer survivors, remember loved ones lost, and fight back against a disease that has already taken too much.

These events would not be successful without the support of their community members, organizations, and businesses. Your donation helped support the Relay For Life of Brentwood High School, which raised over \$30,000. Because of your generosity, more of those dollars are able to go directly to funding life-saving research, teaching communities the importance of early detection through cancer screening guidelines as well as how to prevent cancer in the first place, advocating to make cancer issues a priority amongst lawmakers, and finally, to providing patient and family services such as the Hope Lodge and Road to Recovery.

We thank you for recognizing how important the Relay For Life event is to the Suffolk County community and we hope that you'll join us again in 2015!

Sincerely,

Dear John,

First let me personally thank you and your staff for the tremendous assistance you gave me this year with my taking Maria's place as the INTERFACE Coordinator.

Your listeners did a fantastic job helping me fill every toy request. We surpassed last year's numbers by 700 children, thanks to JVC Christmas was made brighter for 6,401 children in Brookhaven.

The thanksgiving food drive was also a success. Your 2 day food drive helped us feed more than 900 families. That's more than 3,600 individuals'.

I could not have done it without you and your staff making sure every detail was taken care of. No words can thank you enough for all that you do.

Please know how grateful we are and look forward to working with you always!

Sincerely,

  
Josephine Lunde
