The state of the city monthly status report. The Mayor of the City of Toledo talks about the various issues that the city is dealing with. The mayor updates the community about progress he is making on improving economic development in Toledo along with other activities that the city is involved in. Other issues covered included; leaf collection; the city's budget and the successful effort to move the city out of financial debt; the city administration's support for the school system and education of our youth.

Mike Bell- Mayor, City of Toledo

10/14

A local program that helps kids from urban areas learn to swim is highlighted by a national network. The founder of the swimming program talks about the recognition she is about to receive from CNN during the broadcast of the network's Hero Awards program. The founder of the swimming program called the Josh Project, talks about the importance of kids learning how to swim. She talks about her teenage son's drowning because he couldn't swim. She also encourage the listening audience to cast their vote for her program by contacting the network.

Wanda Butts-Founder, Josh Project

10/21

A fitness program for women is designed to help the lose weight as well as prevent heart disease. The program is established because women are suffering from heart attacks at an alarming rate. The discussion talks about some of the misconceptions about women and heart disease as well as tips on losing weight through proper eating and exercise.

Angela Stewart- Fitness Motivator and Founder, Fabulously Fit Exercise Program

Deborah Barnett- Member of Fabulously Fit Exercise Program

10/28

Homelessness is a serious problem especially among those who suffer from mental illness and addictions. A local program provides various services for this population including housing, transortation, support for single mothers, food, clothing and medical care for the homeless population;

transitional support for young adults etc.

Peg Morrison-Communications/Fundraising Manager, Neighborhoods Properties Inc.

11/4

The state of the city. A monthly discussion about the various issues facing the city of Toledo from the perspective of the city mayor Mike Bell. The issues he discussed included the city's progress in its efforts to curb crime which includes

Video surveillance cameras. Also the city's efforts attract more business to the area including traveling abroad and attracting foreign businessmen to tour the city.

Mike Bell-Mayor, City of Toledo

11/11

A local man who served in the military became a hero after saving the lives of several coalition soldiers in Bosnia. He has returned home to give a presentation about his exploits at the University of Toledo and to promote his book.

Kevin Zimmerman-Retired Army officer and author

11/18

A local high school has become a hub for various programs to serve the community and residents in the surrounding neighborhood .

Programs include adult education, tutoring, entrepreneurship classes, daycare, health education, etc.

Candice Harrison-Program Coordinator, Scott High School

Sarah Jefferies-Principal Scott High School

11/25

A local businessman is also a producer of major movies that are distributed around the country. He talks about filmmaking and what it takes to be successful in the film business. He will be the featured speaker at a conference on filmmaking at the local library. He also talks about how he made the transition from grocery store chain owner to executive producer of films.

Rich Iott-Local businessman and film producer

Vincent Smith-Conference coordinator

12/2/12

no program (technical difficulties)

12/9/12

The state of the city.

The mayor of the city of Toledo Mike Bell gives an update regarding the various issues he is dealing with at the city. Those issues include business development, efforts to curb crime in the city, international relations with China and efforts to attract international business; upcoming events including the Martin Luther King Unity Day ceremony in January.

Mike Bell-Mayor, City of Toledo

12/16/12

The importance of healthcare for women on the go.

A local hospital system has a program to educate women about illnesses that strike women as often as men such as heart disease, stroke and cancer. The program helps women take care of themselves first before taking care of their families.

Andrea Price-President and CEO, Mercy Health Partners

12/23/12

Diabetes and the increasing occurrence among juveniles as well as adults.

A discussion about the symptoms of diabetes and increasing numbers of children who are being diagnosed with it. What the causes are and what people can do to prevent it and how to cope with through various treatments and medication. The disease could have serious consequences if not treated properly.

Dr. Mark Watkins-Pediatric Endocrinology, Endocrine Diabetes Care Center
Promedica Toledo Hospital

12/30/12

A local organization is having an impact on the community by providing several programs to meet various needs.

The Frederick Douglass Community Center has been reorganized and has expanded its outreach in the community by providing daycare for low income families; entrepreneurship classes for youth and adults; nano technology program for youth; parenting classes to empower parents; afterschool sports league; fitness classes etc.

Karl Parker-President, Frederick Douglass Community Center
