Description of Issue	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
REAP Program	Contacto Comunitario	4/7/2019	7:00am	30min	REAP Program at Fresno State University Contacto Comunitario Through its San Joaquin Valley Rural Development Center (SJVRDC), OCED staff have begun to provide training workshops and 1-on-1 technical assistance to rural small agricultural producers and other small businesses with the preparation of USDA Rural Energy for America (REAP) Renewable Energy System and Energy Efficiency grant applications. USDA REAP grants are available to small farmers to help them retrofit existing irrigation equipment and water pumps with more energy efficient products. Individualized technical assistance will emerge because of multi-lingual and multi-modal marketing and workshops conducted by OCED throughout the region. A minimum of 4 USDA REAP training workshops will be delivered throughout rural communities.
Call Before you Dig	Contacto Comunitario	4/14/2019	7:00am	15min	To ensure that you remain safe when doing any digging projects, always call 811 first. 811 is a free service managed by Underground Service Alert and available to everyone. After you call, Underground Service Alert will contact PG&E and other companies that have underground lines in your area. Representatives will then mark the location of their underground lines, so you can avoid them and dig safely. Whether you are planting a tree or a garden, or digging holes for fence posts, call 811 at least two business days before you plan to start your project
