Also featured are horse drawn wagon rides and after sunset there will be community Christmas caroling with Cinda Jamison, and more.

Annual Lewis County Christmas Dinner

Weston, WV 26452

December 28, 2023

Steve Peters
WVRW, WOTR, WHAW
Weston, WV

Your help in promoting the 38th annual Christmas Dinner was excellent. When Julia and John appeared on Swap Shop the Saturday before Christmas, my phone rang off the hook with Christmas Day orders. It was all because of your help. Thanks again for your help in promoting our annual Christmas Dinner. You provide so much help to the community that sometimes you are taken for granted. But we are thankful that you are here.

We should all be thankful to have a locally run radio station here because I know I am.

Thanks Steve!

Sincerely
Connie Riffle

Re: Time on Swap Shop

Mr. Peters,

I'm writing to thank you for the opportunity to be a guest on the Swap Shop on October 28th, 2023 from 9am-10:30am on behalf of the City of Weston and its community survey thru the HUBCap program. Please don't hesitate to reach out if I can be of further assistance in your programming and look forward to working together again in the future.

Sincerely,

West Virginia higher education officials are continuing to ask questions about the financial condition of Alderson Broaddus University, the private school that has been deeply-rooted in Philippi more than 100 years.

The Higher Education Policy Commission is considering provisional reauthorization for the coming year, but has cited "continued financial solvency concerns " in asking Alderson Broaddus to provide information about its status.

"This provisional reauthorization is contingent on the ability of Alderson Broaddus University to provide, without interruption, essential services such as instruction, financial aid processing and other critical student services," according to **an agenda** from today's HEPC special meeting.

"The Chancellor will request detailed information regarding the University's financial condition and its plan to safeguard its students' interests."

Annual reauthorization of almost all of West Virginia's private colleges was **on a June 16 agenda**, but Alderson Broaddus was set aside for the possibility of provisional authorization.

The HEPC delayed the Alderson Broaddus matter until today's special meeting, and then agreed to put off a decision again until July 12.

"We, as a commission, are still gathering the relevant information so we're going to move this to a meeting on July the twelfth, and they have until the seventh to answer some questions," said Drew Payne, chairman of the Higher Education Policy Commission.

"We've been working with these people really for about the past two months pretty diligently, and they just owe us additional information."

Drew Payne

The HEPC is asking for information about finances, enrollment, student record security, financial exigency and teach-out plans and "any other information deemed necessary by the Chancellor to ensure the Commission receives a comprehensive picture of the institution's operating condition and ability to meet the State's standards for reauthorization."

Teach-out plans, which are among the items being sought, are written plans to provide for the equitable treatment of students if a college ceases to exist or operate. These plans may
