Marjorie Diehl Armstrong Bank Robbery Trial

The trial of Marjorie Diehl Armstrong culminated one of the most bizarre and heinous crimes in Erie history. Often referred to as the Erie Pizza Bomber case, MDA was charged with having a role in the robbery of PNC bank by pizza deliveryman Brian Wells. Wells had a bomb locked around his neck, and died while escaping from the hold-up. The only living co-conspirator in the crime testified against Diehl-Armstrong. She was convicted. We had team coverage daily throughout the three week trial.

Erie County Community College

Erie County officials have been promoting the value of a community college for several years. The County Executive is the chief cheer leader and is attempting to rally support for the plan. Before it can move forward and win state funding, the plan must have a localsponsor. Since it's a county-wide college, Grossman wants the county to sponsor the school. County Council must approve the plan. Will they? This series of stories reports on the issues leading up to the vote, and ultimately the decision by County Council not to sponsor the college.

HANDS House

An organization called HANDS wants to build a housing complex for low income families in a Millcreek neighborhood. Their development plan meets all zoning requirements. However, nearby neighbors oppose the project, believing it will increase crime and decrease home values. Township officials initially rejected the plan, but in a second vote, approved the development, leaving residents angry and threatening to sell their homes. Our coverage included all angles, residents, the developer, officials, and those who may someday call that neighborhood home.

Exactly two months earlier she was trying on shoes, talking with the DJ, and going over last-minute details. When Adam left their Valley Village home to go run an errand that night, it would be the last time he saw Cheree alive. More than two months have passed since Cheree's brutal homicide and L.A. homicide detectives want nothing more than to find her alleged killer, Omar Armando Loera. <http://www.amw.com/fugitives/brief.cfm?id=73953>

JOSE LUIS DORANTES – Austin, TX: Talented musician Eric Laufer was driving home from a gig on his motorcycle when police say he was struck from behind and dragged more than 300 feet by Jose Luis Dorantes. Dorantes left the scene and hasn't been seen since. Cops believe this Mexican national may be back in his home country hiding from the consequences of his alleged hit-and-run. <http://www.amw.com/fugitives/brief.cfm?id=71394>

This Saturday, October 2, 2010, AMERICA'S MOST WANTED will be airing the following cases. If you have any questions, or would like to request clips, please contact June Kim, jkim@amw.com or Avery Mann, amann@amw.com.

DERRICK HOLMES – DeKalb County, GA: Derrick Holmes compiled a detailed list of rules for employees in his business. But cops say his business was prostitution, and the only rule he followed was ruling by fear. When one of his women tried to escape the life she'd fallen into, cops say Holmes invoked a new rule: murder. Holmes is on the run and he needs to be caught to pay for this alleged crime. <http://www.amw.com/fugitives/brief.cfm?id=74816>

LUIS GONZALEZ – Bonita Springs, FL: Luis Gonzalez's pregnant girlfriend was craving a late night snack. Gonzalez offered to go out to a fast food restaurant for her, but police say he made a pit stop at a local bar. While there, he saw a friend of a friend and offered her a ride home. She was found hours later on the side of the road – run over, twice. Law enforcement officials are piecing together exactly what happened that night, but one thing is certain, they want to catch Gonzalez and need viewers to be on the lookout, especially in Mexico. <http://www.amw.com/fugitives/brief.cfm?id=68706>

UNKNOWN WOODLAWN JANE DOE KILLER – Woodlawn/Baltimore, MD: Thirty-four years ago, the body of a young woman was discovered in a Baltimore suburb, wrapped in a sheet. She had several cloths tied over her head, and she'd been raped and murdered. Despite Sunday morning traffic where she was found, detectives still don't know who she is or who killed her and hope AMW viewers can shed light on her identity. <http://www.amw.com/fugitives/brief.cfm?id=74769>

ALVIN WEBSTER – Sequoyah County, OK: Oklahoma cops are on the hunt for a convicted child sex offender who police say has zero regard for the law -- or the children he allegedly harms. Police say Alvin Eugene Webster was convicted of molesting a 3-year-old girl -- then failed to register as a sex offender. Worst of all, police say the conviction didn't stop him from molesting yet another little girl. <http://www.amw.com/fugitives/brief.cfm?id=73399>

JOHN EDWARD SNYDER CAPTURE – Indianapolis, IN: After six years on the run, John Snyder has been arrested in Sturgeon, Mo. Police say as Snyder's marriage crumbled, his sanity went along with it. Police tell AMW this neo-Nazi activist hunted down his ex-wife and sexually assaulted her for hours while their son was in the house. He is now in custody and off the streets. <http://www.amw.com/captures/brief.cfm?id=63769>

ALBERTO SUAREZ – Philadelphia, PA: Cops say Suarez raped, choked and beat a young woman right across the street from police headquarters. Due to a Good Samaritan's call to 911, his crime was interrupted and he hastily fled the scene. Now, he is dubbed the "Pantless Rapist" for running away, leaving his pants and shoes behind, as surveillance cameras recorded his getaway. Police were able to identify this wanted man by one key item he left behind. <http://www.amw.com/fugitives/brief.cfm?id=74626>
