

WKNC-FM HD-1 has identified the following issues to be of concern to the North Carolina State University campus and the Raleigh-Durham metro area during the specified report period, **April 1-June 30, 2021**. Issues are determined through concerns expressed by staff personnel, local news reports, conversations with campus and community leaders and listener comments.

Programming from this quarter focused on community issues facing NC State and the Triangle. These issues were shared with the public affairs staff and kept in mind when presenting story ideas and assignments and soliciting public service announcements.

- Community activism
- Diversity and inclusion
- Economy
- Education
- Elections and voting
- Environment and sustainability
- Health and safety

| Issue  | Program                                  | Date        | Length          | Description   |
|--|--|-------------|-----------------|---|
