Third Quarter 2022 (July, August, September)

September 9, 2022: Co-directors Julie Ha and Eugene Yi damning documentary begins on June 3, 1973 with the of a man was murdered in a busy intersection of San Francisco's Chinatown as part of an ongoing gang war. Chol Soo Lee, a 20-year-old Korean immigrant, who had previous run-ins with the law, was arrested and convicted based on flimsy evidence and the eyewitness accounts of white tourists who couldn't distinguish between Asian features. Sentenced to life in prison, Chol Soo Lee would spend years fighting to survive behind bars before journalist K.W. Lee took an interest in his case. The intrepid reporter's investigation would galvanize a first-of-its-kind pan-Asian American grassroots movement to fight for Chol Soo Lee's freedom, ultimately inspiring a new generation of social justice activists.

August 26, 2022: In his debut feature documentary THE TERRITORY Alex Pritz provides an immersive look at the tireless fight of the Amazon's Indigenous Uru-Eu-Wau-Wau people against the encroaching deforestation brought by farmers and illegal settlers. With awe-inspiring cinematography showcasing the titular landscape and richly textured sound design, the film takes audiences deep into the Uru-Eu-Wau-Wau community and provides unprecedented access to the burning and clearing of the protected Indigenous people's land.

Wednesdays from 8:30 am to 9:00 am

August 3, 2022: Basic Needs Security - featuring Andrea Mora (Gutierrez). This episode gained more insight into how basic needs security can be promoted in local communities including our UCI campus. Ensuring that basic needs such as access to food, housing, etc. are met is an essential social justice concern, and this episode featured Andrea Mora, the Director of UCI's FRESH Basic Needs Hub, and the Co-Chair of the Campus and Systemwide Basic Needs Committee. The episode is helpful to listeners as it better informs them about the Basic Needs Hub resources UCI brings and it also encourages them to seek help when they need it, especially during any emergency or unpredictable situation.

Third Quarter 2022 (July, August, September)

August 17, 2022: Emotional Intelligence and Interpersonal Communication - featuring Dr. Diane Hamilton. This episode learns more about the importance of emotional intelligence and interpersonal communication, key soft skills that are not only beneficial for college and the workplace, but also for helping to prevent conflict among loved ones in their personal lives. The episode features Dr. Hamilton, an award-winning speaker, nationally syndicated radio host, business behavioral expert, and educator who conducted extensive research on emotional intelligence and interpersonal communication. Listeners are able to take away meaningful lessons by tuning in to this episode as it provides a strong educational foundation in such skills that are so important in all of our everyday lives.

September 7, 2022: The Transformative Power of Travel and Being a Socially Responsible Traveler - featuring Tonya Fitzpatrick. This was a relevant episode to broadcast as several people were coming back from their summer vacations while others were making their last trips before the fall starts. The episode explores how traveling can help promote global citizenship, which is vital to addressing some of the biggest challenges our world faces such as climate change, as traveling can help us see the true beauty of our planet. Additionally, the episode reflects on traveling ethically by featuring Tonya, a lawyer and travel expert.
