**Making it Work: Easely Created**

We pre-recorded today's conversation via Zoom with Melanie Hoffman from Easely Created. Easely Created is a local, independent, family owned & operated business located in Old Town Winchester at 47 W. Boscawen Street that opened in June of 2018. Melanie explained how she's changed up her paint parties that include safety precautions in place for in-person lessons and the option for virtual parties with or without a paint kit. She has several classes with openings in the future.

Duration: 26:17 | Recorded on January 7, 2021

### **Winchester SPCA's Light a Path Campaign**

We pre-recorded today's conversation via Zoom with Lavenda Denney, Executive Director for Winchester/Frederick/Clarke SPCA to get details about their Light a Path campaign to benefit their Pets for Life program. The Pets for Life program at the Winchester SPCA invites you to purchase a light on behalf of your pet and help Light a Path to end pet homelessness. Your donation will help keep loved pets with their families and out of the overcrowded shelter system. Lights will be illuminated throughout the month of February on the SPCA campus located at 111 Featherbed Lane in Winchester. All lights are lit at once and remain on throughout the duration of the campaign. The vision is to illuminate the love we have for our furry valentines and show the community how they light up our lives.

Duration: 26:22 | Recorded on January 29, 2021

### **GNC Online Auctions**

We pre-recorded today's conversation via Zoom to chat with Scott Haines & Felicia Hart about their business, GNC Online Auctions. GNC Online Auctions is a local online auction company where all bids are placed via their website and then the items are picked up locally (or shipped if you win something and live outside of driving distance.) We talked about the types of items they auction that range from furniture (new & antique), coins, sports cards, housewares, tools and much more. All of the items come from consignors who are looking to clean out their basements, their garages, or a spare bedroom. Many collectors also bring items on a regular basis to auction. They explained that in addition to their "in-house" auctions each week, they also offer "off-site" auctions for those who have an entire house to clean out, a business to close or an estate to settle. All bids for each auction start at \$5.

Duration: 26:10 | Recorded on February 1, 2021

### **Celebrating Your Valentine in Shenandoah County**

We pre-recorded today's episode via Zoom to have a conversation with the movers and shakers in Shenandoah County when it comes to events and small businesses. Kary Haun (Shenandoah County Tourism), Olivia Hilton (Community Development Coordinator, Town of Strasburg), Katie Mercer (Enhancement Coordinator, Town of Woodstock), and Amber Smoot (Events & Marketing Director, Town of New Market) gave us a list of all the deals and happenings in their localities to celebrate Valentine's Day in Shenandoah County.

Duration: 26:43 | Recorded on February 2, 2021

### **Front Royal Chamber Looks Back to Move Forward**

We pre-recorded today's conversation via Zoom with Niki Cales, President of Front Royal/Warren County Chamber of Commerce for our monthly catch-up. We talked about all the successes the chamber has had in 2020 in spite of the pandemic and several of the lessons they've learned. Niki explained how those successes will help them make their plans moving forward into 2021. We discussed the status of future events such as the Wine & Craft Festival and their golf tournament, as well as a new virtual series that will feature a "town hall" type of interaction.

Duration: 24:19 | Recorded on February 3, 2021

### **Behind the Curtain at Shenandoah University's COVID-19 Mass Vaccination Site**

We pre-recorded today's conversation via Zoom to learn the details about the COVID-19 mass vaccination site at Shenandoah University with Mitch Moore, SU's senior vice-president. Mitch explained the partnership between the university, Lord Fairfax Health District and Valley Health. We talked about the processes in place for distributing the vaccine and the logistics to pull the entire thing together. This clinic is the largest of the four clinics in partnership with Valley Health and opened in mid-January. They vaccinate between 1500-2500 people per day getting them out the door in many cases in less than 30 minutes. Post-shot patients are required to wait at least 15 minutes before leaving the site and are treated to live music and in some cases able to watch the various sports teams during their practice. We also talked about how James R. Wilkins, Jr. Athletics & Events Center was practically built for administering mass vaccinations. The 77,000-square-foot indoor athletic facility is the largest space within 70 miles of Winchester. It serves the university's 22 athletics teams, the entire university community, and the local and regional communities. It also serves as the location for the university's saliva-based surveillance testing program.

### **Tourism Tuesday: Jordan Hollow Stables**

We pre-recorded today's conversation via Zoom for Luray/Page County's edition of Tourism Tuesday with Edie Emmons from Luray/Page County Chamber of Commerce and her guest, Lisa Cabbage from Jordan Hollow Stables. Lisa walked us through a typical day at the horse farm and explained how the trail rides she offers work. We discussed the long-term relationships she builds with her guides and the COVID-19 safety precautions she's put in place.

Duration: 26:40 | Recorded on February 16, 2021

### **People Inc. Offer Microloans to Area Small Businesses**

We pre-recorded today's conversation via Zoom to learn about the microloan program offered by People Inc. to area small businesses. Joining me on the Zoom was Rachel Fogg, Public Information Officer for People Inc. and their Director of Community Economic Development, Shane Simmons. Shane explained the small business microloan program is customized to meet the needs of each individual borrower. Loans can be as little as \$500 or as much as \$50,000. They can have terms of as little as seven months or up to six years. The first round of SBA assisted loans was offered May through Sept. 2020, and 56 small business owners were able to use borrowed funds to keep their businesses open during the pandemic while the SBA paid some of – in some cases, most of – their monthly payments for that loan. He gave us examples of the money borrowed could be allocated for: equipment, inventory, payroll, working capital, etc. The SBA will help borrowers make payments on qualifying loans closed between February 1, 2021 and Sept. 30, 2021. This opportunity is available for small businesses in Clarke County, Frederick County, Page County, Shenandoah County and Warren County.

Duration: 23:11 | Recorded on February 17, 2021

### **Community Health: The 411 on Heart Disease & Treatment**

We pre-recorded today's conversation (via Zoom) during American Heart Month as part of our monthly Community Health series in partnership with Valley Health. We talked about heart disease and treatment options with Dr. Edward Kofsky, a cardiothoracic surgeon with Valley Health Cardiothoracic Surgeons. Dr. Kofsky is also the Surgical Director of the Coronary Heart Disease Clinical Council at Winchester Medical Center and the Surgical Director of the Valvular Heart Disease Clinical Council at Winchester Medical Center. Dr. Kofsky explained that heart disease is really a series of separate issues related to various aspects and elements of the heart itself. In the second segment we discussed treatment options and the advancements in

technology that have impacted recovery times and a patients ability to potentially avoid surgery completely.

Duration: 28:39 | Recorded on February 18, 2021

### **Gardening in the Valley Symposium 2021 Goes Virtual**

We pre-recorded today's conversation via Zoom to get the details about Gardening in the Valley Symposium 2021 with Northern Shenandoah Valley Master Gardener Association. Joining me on the Zoom screen was Bob Gail, Immediate Past President of NSVMGA and Lynn Hoffman & Helen Lake, Co-Chairs of the event which will take place virtually on March 6, 2021 from 9am – 4pm. During our conversation they explained how they came to the decision to move forward with the event this year virtually as opposed to cancelling. Lynn walked us through the day's events, told us about the various speakers who will present and included information about the 50/50 raffle and silent auction.

Duration: 27:20 | Recorded on February 19, 2021

### **Strolling Strasburg**

We pre-recorded today's conversation with Olivia Hilton, Community Development & Events Coordinator for the Town of Strasburg as we strolled Strasburg on a Sunday morning to talk to several local businesses. Our first stop was at The Strasburg Emporium where we talked with General Manager, Ron Andrews and building owner, Paul Mott about how the business (and vendor list) has grown and will expand even further in the coming months. Our second stop was at Lydia's Closet to chat with Kath Stanley about the non-profit and how the community can help by donating items as well as purchasing items from the thrift store. We then stopped at Burg Nutrition to chat with Chelsea about her shakes, smoothies and teas that offer a low calorie treat in a wide variety of flavors. Finally we came back to The Strasburg Emporium to finish out stroll and grab a hot, homemade pretzel from one of their newest editions: Bretzels Handcrafted Breads & Treats. We chatted with one of the owners, James who told us why they opened the cafe inside the Emporium and even treated us to a freshly baked pretzel.

Duration: 31:55 | Recorded on February 22, 2021

### **Winchester Restaurant Week 2021**

We pre-recorded today's conversation via Zoom for Tourism Tuesday – Winchester/Frederick County edition – to chat with John David Smith about Winchester's Restaurant Week happening February 22 – 27, 2021. The event is organized each year by Winchester Main Street Foundation, a nonprofit organization that focuses on bringing in quality events, beautification projects and youth education programs to build Winchester's unique brand in an attempt to improve quality of life, support and work with other nonprofit organizations and build a Main Street community. John David Smith is the owner of Village Square Restaurant & V2 Oyster Bar & Lounge, the co-owner of Water Street Kitchen, AND the Mayor of Winchester. He's also a founding member of the foundation. He explained how the week started as a once a year event, but has grown to twice a year. He told us which restaurants are participating & what specials you can expect to find on many of the menus.

### **Frederick County Parks & Rec Programs & Events**

We pre-recorded today's conversation via Zoom to chat with Tony Baker & Chris Konyar from Frederick County Parks & Recreation about some upcoming events and spring programs. Chris told us about Trails for Miles for Autism race that will happen on April 10, 2021 at Sherando Park. This second annual race is a combination four mile race through the paved paths and wooded trails of Sherando Park. Proceeds from the race will benefit the I'm Just Me Movement and The Arc of the Northern Shenandoah Valley as April is Autism Awareness Month. Due to COVID, pre-registration is required for this event. Chris also gave us the details for the Youth Trout Derby that will happen at Clear Brook Park on Friday, May 7, 2021 from 5:30pm – 8pm. Families are encouraged to bring their young anglers (ages 4-14) for this FREE event to catch

stocked trout and other fish. This is a rain or shine event with no registration required, but a RSVP is helpful to get event updates and future fishing adventures. Participants must bring their own fishing pole, bait, tackle and gear to reel in that big one. We also talked about other programs that are currently open for registration or have/will be starting in the coming weeks such as tennis, Little League, adult softball and more. Finally, Tony reminded us about the new exercise equipment at Clear Brook Park, the Story Walk & trails now open at Bowman Library, and their new program in partnership with PRO Physical Therapy/PRO Motion: Frederick County Community Fitness.

### **SU eSports: Spinandoah Showcase**

We pre-recorded today's conversation via Zoom with Joey Gawrysiak, Director of eSports at Shenandoah University to get the details about the Spinandoah Showcase happening March 13-14, 2021. We talked about the misconceptions surrounding eSports as a degree program and learned what the event will look like as well as who should attend. High school students and college transfers (and their parents) interested in being recruited to play esports in college are invited to the inaugural SPINandoah Showcase at Shenandoah University. The event will be held March 13-14 on Shenandoah's main campus in Winchester, in conjunction with Stay Plugged IN (SPIN), a North Carolina-based esports company with a mission to aid in collegiate esports recruiting. At least 12 colleges/universities are expected to attend, including from as far away as Kansas (Ottawa University) and South Carolina (Converse College).
