Commission records reflect that station WCYN-FM, Fac. ID No. 71308 has been off the air since March 7, 2017. Therefore, the license for this station will expire as a matter of law if the station does not resume broadcast operations by March 8, 2018, 12:01AM. See Pub. Law No. 104-104, 110 Stat. 56, Sec. 403(1), codified at 47 U.S.C. Section 312(g)

The FM Translator Licensee must notify the Federal Communications Commission, Office of the Secretary, 445 12th Street, S.W., Washington, DC 20554 of any change in the station that will be rebroadcast. The parties should also notify Robert Gates via email at Robert.Gates@fcc.gov. See 47 C.F.R. §74.1284.

Assignors and Transferors are reminded that 47 CFR § 73.3615 requires that a biennial ownership report be filed by each licensee of a commercial or non-commercial AM, FM, TV, Class A, or LPTV broadcast station and any entity that holds an attributable interest in the licensee pursuant to § 73.3555 as of October 1 of each odd-numbered year. The Media Bureau has previously announced that the 2017 biennial ownership reports for both commercial and non-commercial stations must be filed between December 1, 2017, and March 2, 2018. Accordingly, for any assignment or transfer of control applications consummated after October 1, 2017, but on or before March 2, 2018, the proposed Assignor/Transferor must nonetheless file a biennial Form 323 or Form 323-E by the extended March 2, 2018, deadline. Ownership information should be reported as of October 1, 2017. Please note, this biennial ownership filing requirement is in addition to the post-consummation report, which is required of the Assignee or Transferee. See 47 CFR § 73.3615.

Under authority of the Communications Act of 1934, as amended, the consent of the Federal Communications Commission is hereby granted to the transaction indicated above.
