## WIOH's Operation As A Public Service

---

In addition to all special programs broadcast on WIOH, the station meets an important need of the town's young people by providing, through the station's operation, a valuable educational opportunity. The student staff of the radio station learns not only about media and communications, but also about public service, business management, organization, teamwork and cooperation, politics, and community involvement, all on an ongoing basis. The station also serves as a powerful community-building tool that offers a comfortable environment for a diverse group of high-school aged residents of the towns of Concord and Carlisle. WIOH is widely regarded as one of the premiere extracurricular activities at Concord Carlisle High School and is lauded as an outstanding learning opportunity for the school's students.
