

Quarterly Program October 2023 – December 2023

WZYN plays numerous PSAs about various issues like health, fire safety, military service, etc. We also have the Boy Scouts, Girl Scouts, homeschoolers and other organizations tour the facility. We also have news and weather updates on an hourly basis.

The Legal Alert is played Monday through Friday two times daily. The Legal Alert Radio Program is a 90-second radio broadcast hosted by Attorney David Gibbs. These daily alerts will keep you updated on all the latest issues our ministry faces and inform you of your liberties as a Christian.
