

## Quarterly Issues and Programs planned for the 4th Quarter 2020

Issues and Program focus may change as community issues change. Results of programming targeted at community issues for the 3rd Quarter (July, August, September 2020) follow.

- Covid-19 discussions
- Infrastructure needs and wants
- Education in our Rural Areas
- Public and Personal Safety in our communities
- Health Care issues to be addressed by Elder and Rural communities
- Jobs, Skills, and other local economic challenges
- Economic Development challenges and efforts

**Report for 3rd Quarter 2020 is attached...**
