

ISSUES-PROGRAMS LIST Oct - Dec 2013

1. **FAMILY FIRMS**
Throughout the Midwest, family firms comprise almost 90% of all business enterprises. Director of the Prairie Family Business Association, Beth Adamson, discusses the challenges a family business can face.
Program: Mainstreet
Aired: 10-21-13
Time: 20 minutes
2. **PIPELINE INVESTIGATION**
The investigation continues in to what caused a big oil pipeline leak near Tioga. The results may lead to more strict rules about which pipelines need better monitoring and how often they should be monitored.
Program: All Things Considered, Morning Edition
Aired: 10-23-13 5:30pm and 10-24-13 6:30am
Reporter: Dave Thompson
Time: 2:46
3. **NATIONAL SOIL PROJECT**
The National Soil Project at Northeastern University is collecting and analyzing organic farm soils from all 50 states for comparison with conventional samples. Guests Professor Geoffrey Davies and principal research scientist Elham Ghabbour say the project is looking for samples.
Program: Mainstreet
Aired: 10-30-13
Time: 30 minutes
4. **ATTORNEY SHORTAGE**
21 of North Dakota's 53 counties have fewer than four attorneys and four counties have none. Kathryn Rand, Dean of the UND Law School is here to discuss a project that will demonstrate the benefits for an attorney to live and work in a small community.
Program: Mainstreet
Aired: 11-8-13
Time: 30 minutes
5. **YEAR IN REVIEW**
New Director Dave Thompson talks with Governor Jack Dalrymple to get a year end review of events in the state in 2013
Program: Mainstreet
Aired: 12-27-13
Time: 30 minutes
