

ISSUES/PROGRAMS LIST  
WSEZ-AM 1560 / 98.7 FM  
PAOLI, INDIANA

The “Adam Ritz Show” aired on WSEZ-AM & 98.7 on Sunday mornings at 9:00am and discussed a variety of issues.

The program was 30 minutes in length.

This quarter the program aired on the following dates and discussed the following issues.

January 6, 2019...Adam Ritz and co-host Jay Baker talked about space heater safety, winter weather assistance, social media bullying and a charity concert to benefit victims of California Wildfires.

January 13, 2019.. Adam Ritz and co-host Jay Baker talked about cyber crimes. The discussion included red flags, risk reductions and talking to the elderly about cyber scams.

January 20, 2019.. This show features an interview with former NFL star and super bowl champions Ryan Diem. Ryan has been promoting Pediatric Cancer Awareness since he was in the NFL. He and his wife, Julie, are co-hosts of the “Strike Out Cancer” bowling event to raise funding for Pediatric Cancer and the Peyton Manning Children’s Hospital. Learn more at [www.strikeoutcancerindy.com](http://www.strikeoutcancerindy.com). This show also features a segment about Blood Donor Awareness Month.

January 27, 2019.. Adam Ritz and co-host Jay Baker discuss winter driving safety.

February 3, 2019.. Adam Ritz and co-host Jay Baker discussed National Canned Food Month and the importance the canned food industry plays in feeding the hungry, recycling and the U.S. economy, with fun facts along the way.

February 10, 2019. This episode featuring a grant from ATT&T Aspire to the Dibia Dream Foundation in Miami to support Stem Education. The grant will provide a free Saturday class to kids in New Orleans and Miami. Also discussed is important education tips for young elementary age children, that every young parent needs to know for their children to be successful in school.

February 17, 2019. This show begins with a report from Savannah GA on the Parkers Emergency & Trauma Center. Parkers high end convenience stores sponsors this Health Care Center and even provides gas cards to patients who need ongoing medical treatment. We also report on the life lessons learned in the Boy Scouts of America.

February 24, 2019. On this show we report on a Water Conservation Project in Baltimore known as The Water Wheel. Recently, Canton Car Wash donated \$10,000 to the water Conservation Project in Baltimore Harbor. Also, in honore of the 5 Oscar nominatons for

Bohemian Rhapsody in this year's 91<sup>st</sup> Academy Awards, we take a look back at the impact Live Aid had in 1985 to both the Humanitarian Efforts in Africa and music world.

March 3, 2019. The show starts with a report from Columbus, OH, at the Duchess Shoppes convenience stores Corporate Headquarters. Duchess recently donated \$60,564.49 to the OSUCCC-James Cancer Hospital and Solove Research Institute to aid the fight against cancer. This show also features an update on National Sleep Awareness Week, highlighting the importance of a good night's sleep in your productive life.

March 10, 2019. The show begins with a report on a fun and active fundraiser for your school, team, group or scout troop. Instead of selling high calorie candy for a fundraiser, you can have a fundraiser at a Trampoline Park. Check out Flight Fit n Fun. This show also features an interview with David Riggs, a student at Wabash College, about his work with the Wabash Mental Health Concerns Committee.

March 17, 2019.. The show begins in front of a live studio audience at Boston College. BC football player Alex Howell joins us to talk about how the Eagles work with At Risk Kids in the Boston Community. The feature interview is with Mike Haddorff, the executive director of an amazing Father/Son retreat in Colorado called Christ in the Rockies. We also include a report from James Madison University in Virginia covering Social Media and Mentoring.

March 24, 2019. On this show a report on a Get Go Giving program that donated \$5000 to the All Saints Knights of Columbus Council, benefiting the American Cancer Society, Emma's Ministries Soup Kitchen and more. Also discussed is a 9 point healthy habit daily plan and Tornado Preparedness during Tornado Awareness Month.

March 31, 2019. The show starts in front of a live studio audience at Emory University in Atlanta. We talk with Emory students about their community service including a Zeta Beta Tau Bike-a-thon to benefit Children's Cancer and the B Foundation. We also interview Emory Assistant Dean of Students, Marlon Gibson and find out about the student's spring break mission trip to Jamacia, as well as their service work with the B Plus Foundation for Cystic Fibrosis. Segments include talking with NFL great Dan Pastorini about his book and the temptations he faced playing pro football in the 70's. We also feature a Drug and Alcohol Awareness report from South Carolina.
