Segment Length: 00:06:00

This week, Beyoncé continued her reign at the top of the country charts. Last week she became the first Black woman to hit number one with her banjo-infused bop "Texas Hold 'Em." The song has brought a new audience to the genre and reminded music fans of country music's deep African and African American roots. Amna Nawaz has a closer look for our arts and culture series, CANVAS.

An annual, celebrated event took place this past week in Washington, D.C., and it didn't have anything to do with politics. It's known as peak bloom, the day 70 percent of blossoms are open on Washington's iconic cherry trees around the Tidal Basin. But for 158 of the trees, this year will be their last bloom. John Yang reports.

The World Meteorological Organization issued a red alert warning Tuesday about warming and climate change, saying 2024 is shaping up to be another record year. One of the many worries about how the planet is changing, thanks in part to human activity, is the record-shattering warming of the world's oceans. William Brangham discussed more with John Abraham.

There were 58 reported cases of measles in the U.S. during all of 2023. But there's already been 41 cases across 16 states so far this year. The outbreak of this highly contagious virus is cause for concern for many public health departments. Dr. Paul Offit, a pediatrician specializing in virology and immunology at Children's Hospital of Philadelphia, joins William Brangham to discuss.

According to KFF Health News, more than half a million babies are delivered each year in Catholic-run hospitals across the United States. In most cases, there are no complications, but during an emergency, patients can find themselves caught between accepted medical standards and these facilities' religious-based policies. KFF Health News correspondent Rachana Pradhan joins John Yang to discuss.

Currently, 1 in 6 Americans is older than 65, a number that's projected to rise to 1 in 4 by 2050. As older Americans' needs for medical care and other support grow, women bear the biggest part of the burden of caring for them. Ali Rogin speaks with some women about their experiences and author Emily Kenway about the often unseen costs of caregiving.
