

## Quarterly Issues and Programs List

The following is a listing of some of the significant issues responded to by station KGFX-FM along with the most significant programming treatment of those issues for the period January 1, 2024, through March 31, 2024. This listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

<b>Description of Issue</b>	<b>Program/Segment</b>	<b>Date(s)</b>	<b>Time</b>	<b>Duration</b>	<b>Narration of Type and Description of Program/Segment</b>
Household cleaner swap	PSA	Jan. 10- March 31	varies	30 seconds	The City of Pierre Solid Waste Department has established a program allowing residents to drop off household cleaners they're no longer using, as long as certain criteria are met. The public is then able to take whatever items they may need, free of charge.
Support for local nonprofits	PSA	Mar 1-12	varies	30 seconds	The local Elks Chapter held its annual fundraising pancake feed.
Energy conservation	PSA	Feb. 6-29	varies	30 seconds	Pierre City Administrator Kristi Honeywell encouraged municipal utility customers to participate in the Bright Energy Solutions rebate program for those who purchase new, more energy efficient appliances.
Reliable electricity generation	news	Jan. 3	varies	1.5 minutes	Because so many items these days involved being plugged in to charge, Pierre City Utilities Director Brad Palmer discussed the need to do an electric generation study. The goal is to project how much more electricity the town will need in the next decade to be able to reliably meet demand from their municipal customers.
Natural gas safety	news	Jan. 12	varies	1 minutes	A Montana-Dakota Utilities spokesperson discussed reports of extra strong rotten egg smell in their current natural gas supply. Customers were assured the increased amount of produced added to the natural gas to give it the odor is not harmful.
Access to quality healthcare	news	Feb. 29	varies	1 minute	The Avera St. Mary's Hospital in Pierre and the Avera Hand County Memorial Hospital in Miller earned spots on nationwide Top 100 lists for high quality care given to patients.
Adult/senior living opportunities	news	March 4	varies	90 seconds	Peaceful Pines Fort Pierre Administrator Heather Janes discusses the grand opening of their senior living complex in Fort Pierre. They offer independent, assisted living and memory care housing options.
Recreational opportunities Missouri	news	Feb. 9	varies	1.5 minutes	The U.S. Army Corps of Engineers reports anticipated runoff in the Upper River Basin will be substantially lower than average. The low levels will likely impact accessibility to some boat ramps and areas where fish spawn.
Economic development	news	Feb. 13	varies	1 minute	The Northridge Plaza is remodeling to accommodate three new retail stores expanding to Pierre.
Agriculture driven economy	news	Feb. 14	varies	1.5 minutes	The United States Department of Agriculture's National Agricultural Statistics Service released the 2022 Census of Agriculture. Data shows the number of farms in South Dakota declined 6%, the amount of land in farms in the state declined 2% and the average farm size in the state had increased by 4%.
Economic sustainability	news	Feb. 21	varies	1 minute	Fort Pierre City Finance Officer Roxanne Heezen recapped 2023 total collections for general sales tax, triple B and occupancy taxes. The increases ranged from 0.5% to 13.5%.
