WVIT Internship Program. NBCUniversal has developed a robust Campus 2 Careers paid internship program. The Director of Human Resources, Mary Anderson, manages the program locally. The paid internship affords students the opportunity to participate in more than one intern experience. The Station has worked to build an active and healthy internship program to provide students a learning experience while contributing to the work performed at our station. The enhanced program has resulted in students who are well-prepared to become employees at our station upon graduation. During the current Annual Report year approximately 3 interns have participated in the station's internship program. There were five interns who were qualified to interview for open positions, and one former intern was hired as freelance and ultimately was qualified to fill a full time position this year.

NBCU Owned Television Stations' Associate Programs. The Sales and News Associate programs are an opportunity for early career professionals to hone their skills specific to the Broadcast industry. Participants in the program work in a fast-paced local television organization within an NBC Owned Station. Associates undergo an intense week-long orientation filled with workshops, lunches with guest speakers and training. The program lasts an average of one year where it concludes with successful associates accepting full-time Account Executive or Producer (news) positions within the Owned Stations group. NBC Connecticut is interviewing News Associates for the 2022 calendar year.

Equal Employment Opportunity Training. All Station employees are required to attend a mandatory course designed to prevent harassment and discrimination. Training is offered to ensure 100% participation. Starting in 2006 and offered annually, all hiring managers received coaching on new regulations set by the Office of Federal Contract Compliance Programs (OFCCP) regarding the definition of an internet applicant and the necessary recordkeeping for such applicants.

Internal Skills Enhancement Programs. Employees of the Station are provided with training and development opportunities designed to enhance their ability to assume positions of greater responsibility. Various programs are provided via external vendors and internal NBCU sponsored programs. During this last reporting period, Station employees participated in the following development courses: JUMP, PIVOT, LEAD; all leadership

development courses facilitated by NBCU's training team. In addition, online courses on a variety of topics are available to all employees. Courses include: Negotiation Skills, Time Management, Team Building, Goal Setting, Project Management, Communication Skills and Conflict Management.

Recruitment. All positions are posted on nbcunicareers.com (the "Career Site"), a link to which is provided on the Stations' websites. All positions posted on the Career Site are republished by numerous third-party online general audience job boards, including commonly used sites like LinkedIn, AboutJobs, Indeed, and ZipRecruiter. Additionally, NBCUniversal partners with Direct Employers, which disseminates Career Site postings to additional online job boards targeted to reach diversity-focused, military veteran, disabled, and federal government job seekers.
